

Kortext Personalised Learning Platform with Microsoft Windows, Azure, O365, Power BI

Kortext

Kortext is a world-leading digital textbook and study platform providing access to e textbooks, OER content, coursepacks and more. The platform's built-in smart tools also allow students to annotate, collaborate and engage with interactive materials.

Kortext also provides analytics dashboards, which give insight into learning habits, inform decision making and help personalise learning paths.

The platform is being adopted worldwide to help learners study anytime, anywhere.
