My Task

Consolidate and manage all assigned tasks through an easy-to-use canvas app

What is My Task?

The My Task canvas app provides a consolidated view of all tasks from the Microsoft Planner. This allows users to view, monitor and manage their tasks from a mobile phone.

App Description:

My Task is built in Power Apps and equipped with out-of-the-box connectors. It retrieves data from Microsoft Planner and Office 365, making it a one-stop location for all assigned tasks for the team.

App Benefits:

- Increase productivity through streamlined task management.

- Encourage collaboration with the app's transparency.

- Navigate, edit and view through an intuitive user interface.

App Features:
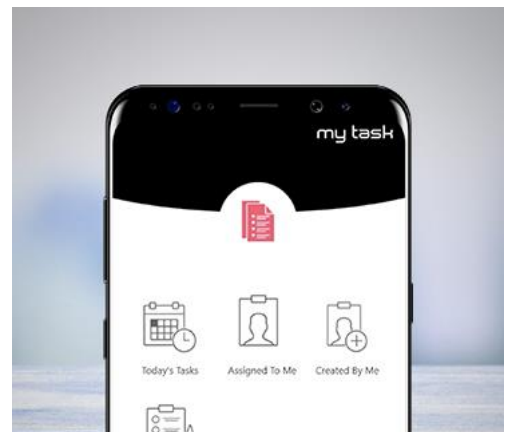

View assigned tasks complete with relevant details.

Monitor the statuses of the team's tasks.

Securely access tasks through the user's corporate account.

Gain access to all Planners that the user is a member of.
