

A solution designed to meet the major needs of SMEs

Our software allows you to follow the businesses of Micro, Small and Medium Enterprises in an easy and accessible way, anytime and anywhere.

Available in different plans, and without any obligation, companies pay only what they need, with complete freedom to grow their ideas and their business.

Main Features

- Accounting and financial management
- Orders, products and stock control management
- Sales and customer management (CRM)
- Human Resources
- Project Management
- Analysis, statistics, and reports
- Business Intelligence

EMPOWER YOUR BUSINESS AND FEEL THE RESULTS

Simplify processes, make good strategic decisions, and improve your relationships with customers and suppliers.

All important information in a single solution, with access from Windows, Android, or iOS devices.

START GROWING QUICKLY, AT YOUR OWN PACE

Monthly subscription plan with no loyalty, where you pay only for what you need and use. Choose the features that simplify your day, with total freedom to grow your ideas and your business.

MANY APPLICATIONS, ONE SYSTEM

Aggregate information from all departments with automated tasks and workflows, in a intuitive software that is fully integrated with Microsoft Office 365 applications, such as Outlook, Word, Excel, SharePoint and Teams.

Safe and protected data, in accordance with the General Data Protection Regulation (GDPR).
