

Core Offerings	Bronze Plan \$1,466/Month	Silver Plan \$4,849/Month
Virtual Machines	i. Readiness assessment of existing infrastructure for migration, with report ii. Migration of up to 25 servers (24x7 reserved): a. 5 Small Scale VMs (B2S) b. 5 Medium Scale VMs (B2MS) All VMs come with standard 64GB disk	i. Readiness assessment of existing infrastructure for migration, with report ii. Migration of up to 25 servers (24x7 reserved with Hybrid Use Benefit): a. 12 Small Scale VMs (D2) b. 11 Medium Scale VMs (D3 V3) c. 2 Large Scale VMs (D4 V3)
Storage	Up to 5 TB standard	Up to 13 TB standard
9*5 Support	i. email/phone/remote support for breakfix ii. Quarterly health check	i. email/phone/remote support for breakfix ii. Quarterly health check
Site to Site VPN Connectivity	One site with 50 GB data bandwidth / month	Up to three sites with 50 GB data bandwidth / month
Other components	3 x Public IP addresses, Load balancer (2 endpoints)	5 x Public IP addresses
Optional Offerings		
Optional - Host Security	Up to 10 virtual machines	Up to 25 virtual machines
Optional - Monitoring	Up to 10 virtual machines	Up to 25 virtual machines
Optional - Backup	Up 10 virtual machines (Retention: 7D,4W,12M,1Y)	Up 25 virtual machines (Retention: 7D,4W,12M,1Y)
Optional - WAF (IP-Co-sell)	Barracuda CloudGen/NextGen WAF - L1 with standard support (1)	Barracuda CloudGen/NextGen WAF (1)
Optional - Firewall (IP-Co-sell)	Barracuda CloudGen/NextGen Firewall - L1 with standard support (1)	Barracuda CloudGen/NextGen Firewall (1)
Optional - Managed Services	1. Routine management operations 2. Monthly Reporting 3. Monitoring & Reporting - Customer managed	1. Routine management operations 2. Monthly Reporting 3. Monitoring & Reporting - Customer managed

Core Offerings	Gold Plan \$7,718/Month	Platinum Plan \$14,264/Month
Virtual Machines	i. Readiness assessment of existing infrastructure for migration, with report ii. Migration of up to 50 servers (all assumed running 24x7x365. hence Reserved with Hybrid Use Benefit): a. 15 Small Scale VMs (D2) b. 20 Medium Scale VMs (DS3 V2) c. 15 Large Scale VMs (D4 V3)	i. Readiness assessment of existing infrastructure for migration, with report ii. Migration of up to 50 servers (all assumed running 24x7x365. hence Reserved with Hybrid Use Benefit): a. 25 Small Scale VMs (D2) b. 50 Medium Scale VMs (DS3 V2) c. 25 Large Scale VMs (D4 V3)
Storage	Up to 25 TB Standard, 5 TB Premium	Up to 40 TB Standard, 10 TB Premium
Load Balancer	20 endpoints	20 endpoints
24/7 Support	i. email/phone/remote support for breakfix ii. Quarterly health check	i. email/phone/remote support for breakfix ii. Quarterly health check
Site to Site VPN Connectivity	Up to five sites with 200 GB data bandwidth / month	Up to five sites with 300 GB data bandwidth / month
Public IP Addresses	10 x Public IP addresses	20 x Public IP addresses
Optional Offerings		
Azure Security	50 virtual machines	100 virtual machines
Azure Monitoring	50 virtual machines	100 virtual machines
Azure Backup	50 virtual machines (Retention: 7D,4W,12M,1Y)	100 virtual machines (Retention: 7D, 4W, 2M, 3Y)
Barracuda WAF (IP-Co-sell)	Barracuda CloudGen/NextGen WAF (2) - L5	Barracuda CloudGen/NextGen WAF (2) - L5
Barracuda Firewall (IP-Co-sell)	Barracuda CloudGen/NextGen Firewall (2) - L6 1. Advanced Threat and Malware Protection Bundle 2. Advanced Remote Access 3. Premium Support	Barracuda CloudGen/NextGen Firewall (2) - L6 1. Advanced Threat and Malware Protection Bundle 2. Advanced Remote Access 3. Premium Support
Optional - Managed Services	1. Routine management operations 2. Monthly Reporting 3. Monitoring & Reporting - Customer managed	1. Routine management operations 2. Monthly Reporting 3. Monitoring & Reporting - Customer managed
