Windows Virtual Desktop Enablement

Our **Windows Virtual Desktop (WVD) Enablement** sets your organization up for modern Windows 10 delivery from the Cloud.

Our Process
A proven formula.

Step 1: WVD Project Kickoff

Step 2: WVD technical workshop

Step 3: WVD Organizational Alignment

Step 4: WVD POC and Operationalization Training

Step 5: Ongoing Training, Coaching and Support

Your Deliverables
Driving Digital Performance.

✦ WVD workshop
The workshop will educate participants on how WVD works and will do a deeper dive into the customer's environment.

✦ Alignment of WVD Pilot to your governance
WVD will be setup in accordance with your Azure Governance

✦ A WVD Pilot
A scalable WVD pilot environment will be setup in the customers subscription to familiarize with the WVD concepts

✦ WVD Operationalization
WVD operations training and skills readiness to be able to support scaling, security and other WVD operational tasks.

✦ Training, coaching and support
Invero will provide WVD commissioning and operational support training of your WVD environment.
