

Get specific IT support for Microsoft technologies when you need it with Finchloom

ABOUT FINCHLOOM PROFESSIONAL SERVICES:

At Finchloom—a Microsoft Gold partner—we prioritize the customer experience. We take pride in being a one-stop shop for all your needs, regardless business size or type. By engaging with Finchloom, you'll get the service you need, when you need it.

What can we do for you?

We offer strategic assistance in many areas, including Microsoft products and services, infrastructure, security, IT operations, and business analysis. Our professionals are always ready to help your business thrive.

WHAT WE OFFER

Finchloom has the Microsoft experience and expertise to augment your current IT staff for a variety of ad-hoc business and technology needs.

Our Professional Services are designed to be flexible and affordable to meet the needs of complex IT environments. We have three types of Professional Services.

Master Services Agreement: Assistance with anything from purchasing licenses to ad hoc support, all for a defined rate. You have access to the entire suite of Professional Services we offer.

Open Services Agreement: Purchase a bank of hours and let us take care of the rest. We give you access to the right level of professional depending on your request. A variable hourly rate billed in 15-minute increments with a cap on spending.

Scope of Work: One-time defined projects with start and end date, actionable items, and deliverables. Meet to discuss your goal with us, and we create a plan to make sure your project is completed on-time and within your budget.
