

# How to register for your free Scappman trial

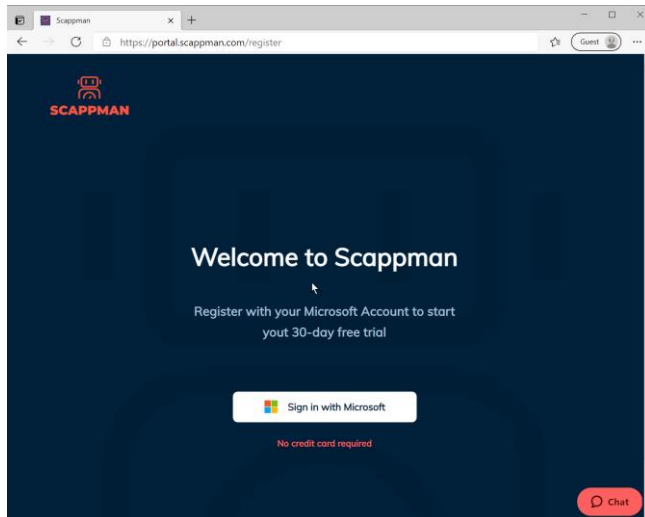

## Step 1

Navigate to <https://portal.scappman.com> and click on the **register** button.

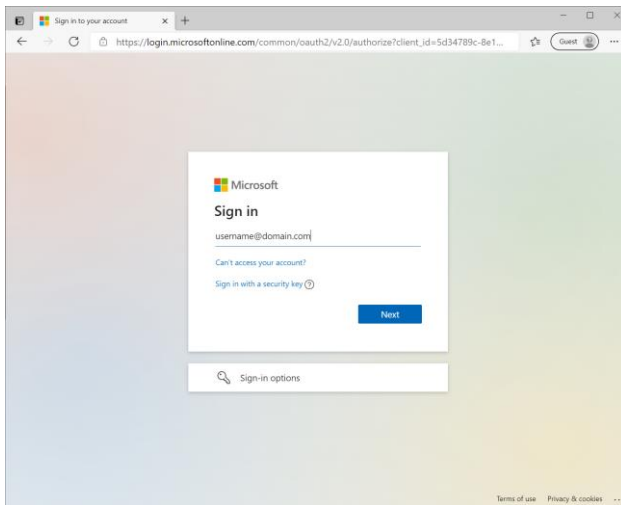

## Step 2

Click on the **Sign in with Microsoft** button.

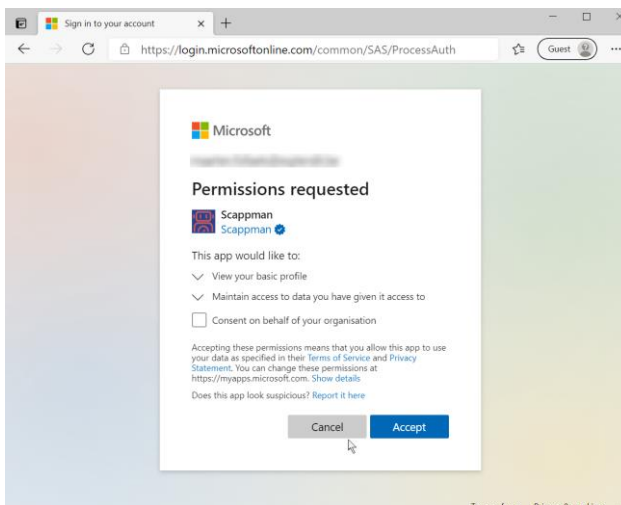

### Step 3

To register you will need to sign in with your Microsoft account.

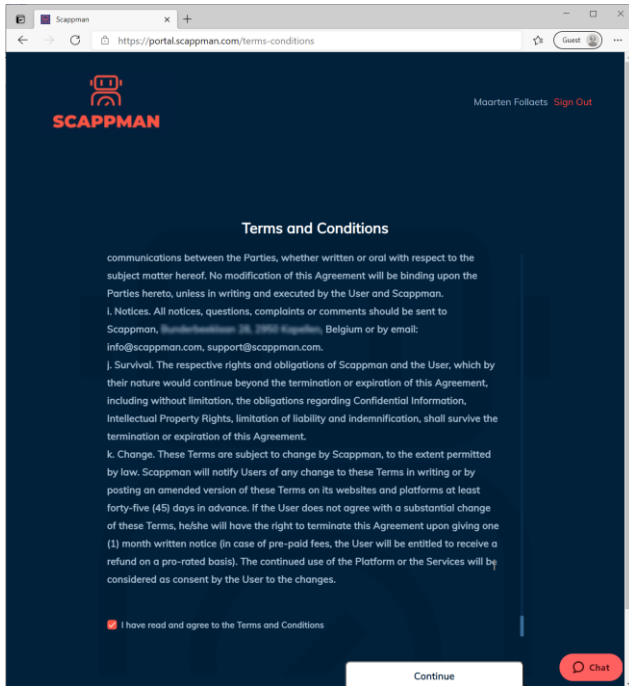

### Step 4

Provide consent so we can read your Microsoft profile.

## Step 5

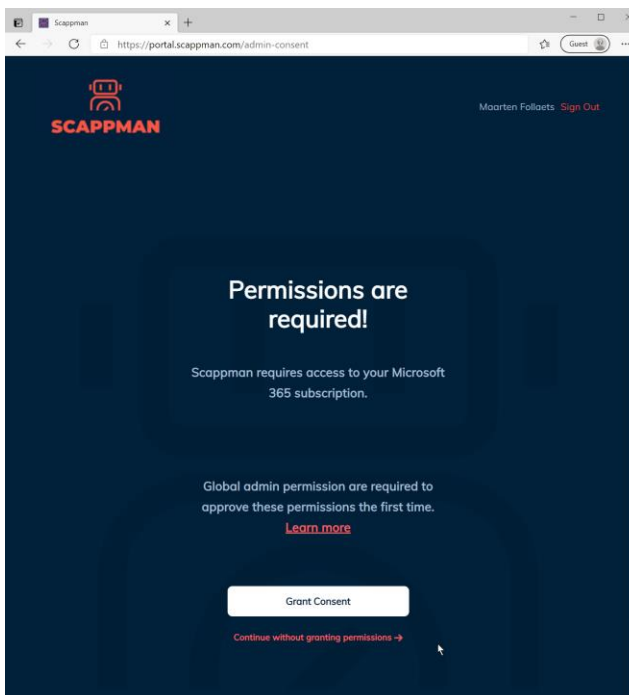

Scroll down and accept the terms and conditions and click continue.

## Step 6

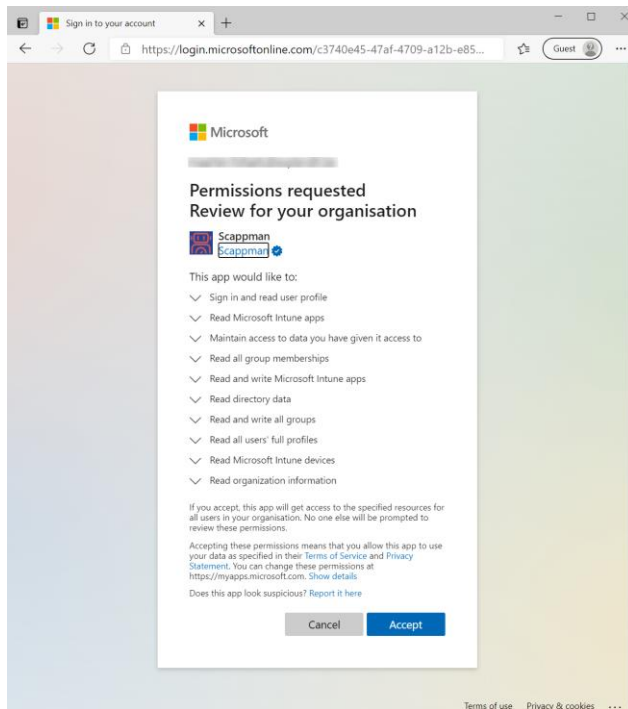

Click on **Grant Consent**.

*Scappman works with an application registration in Azure Active Directory. Therefore a global administrator on the tenant needs to provide consent to allow the registration in Azure AD. For more information regarding these permissions click on [learn more](#).*

## Step 7

Accept the permissions to register Scappman in Azure AD.

## Step 8

Fill in the form with your company details.

A screenshot of the Scappman company information form. The form is titled "Company Information" and is set against a dark blue background. It contains several input fields: "Company Name" (with placeholder "Company"), "First Name" (with placeholder "john"), "Last Name" (with placeholder "doe"), "Billing Address" (with placeholder "billingstreet"), "Zip Code" (with placeholder "2540"), "City" (with placeholder "Legacity"), "State" (with placeholder "Bigstate"), "Country" (with placeholder "YourCountry"), "VAT" (with placeholder "BE12356789"), and "Billing Email Address" (with placeholder "Billing@address.com"). At the bottom, there are "Continue" and "Chat" buttons.

## Step 9

Now you have access to the Scappman portal and can start updating applications.
