

SL Overlay

for Microsoft Dynamics 365 Business Central

The goal of the SL Overlay is to add features to Dynamics 365 Business Central that will assist a previous Microsoft Dynamics SL user in using their new cloud-based solution.

The SL Overlay is the result of working with Microsoft Dynamics SL users who have or plan to move to the cloud using Microsoft Dynamics 365 Business Central platform. A set of features have been defined and are planned to be available in two releases. One in Fall of 2020 and one in Spring of 2021.
