Nonprofit | Active vs. Inactive Assigned Licenses

Published: May 2021

Contoso.org	Number	Description
Total Purchased E1 Licenses	2,000	Total E1 licenses available in the subscription management section of the admin center
Assigned E1 Licenses	1,000	Total E1 licenses assigned to users
Active Users	900	Number of users that have used an E1 cloud service within the past 90 days. This number is above 85% utilization of the Assigned Licenses, and so the tenant is compliant with Microsoft Philanthropies grant requirements.
Inactive Users	100	Number of users that have not used an E1 cloud service within the past 90 days and may be staff that no longer need an E1 license, or former staff that should be removed so that they do not pose a security risk.
