We picked Gorilla Expense over other expense reporting products like Concur and it has conformed very well to our unique requirements.

The application is very simple to use and what used to take us hours now gets done in minutes! The team at Gorilla Expense really took the time to listen to our needs and customized several functions for us. Support has been outstanding. Overall this has been a seamless experience that has saved us significant amount of time, money and headache. Gorilla Expense has been a great partner in simplifying what was once a very cumbersome process.
