

# Azure Sentinel FyrFighter Program

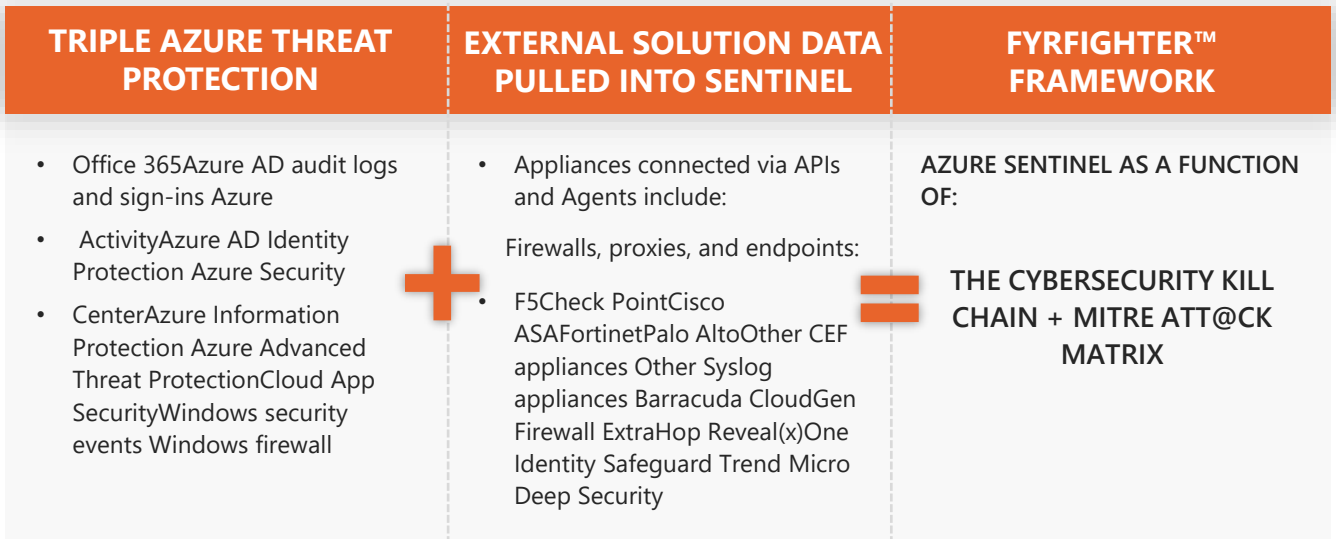

## FyrFighter for Azure Sentinel + Triple Azure Threat Protection

Cyberattacks can happen any time, any day. This is why CISO’s adopt military strategy models to protect against threats. At Fyrsoft, we have built a program that leverages the best practices of the models adopted by the top CISOs in industry, and made it affordable for companies of all sizes to adopt by leveraging their investment in Microsoft 365 and the Azure Cloud.

### FyrFighter for Azure Sentinel

We will perform detailed analysis of your environments and provide actionable security insights based on an approach that takes the best practices from the CyberSecurity Kill Chain and the MITRE Att@ck Matrix . The ultimate goal: assessing and reducing your risks and providing the best solutions to keep your company safe and secure.

## Why FyrSoft?

When it comes to security, you need an experienced partner. As a charter member of the Microsoft Professional Program in Cybersecurity and Azure Security Silver Partner on our way to Gold, We are among the first and only companies the country to be fully certified in the cybersecurity offerings from Microsoft, including Azure Sentinel, the Azure Graph Security API, and the ability to leverage proprietary ML models with Azure DataBricks along with expertise in building out management and monitoring agents in Microsoft Systems Center.
