

BLUE GDPR

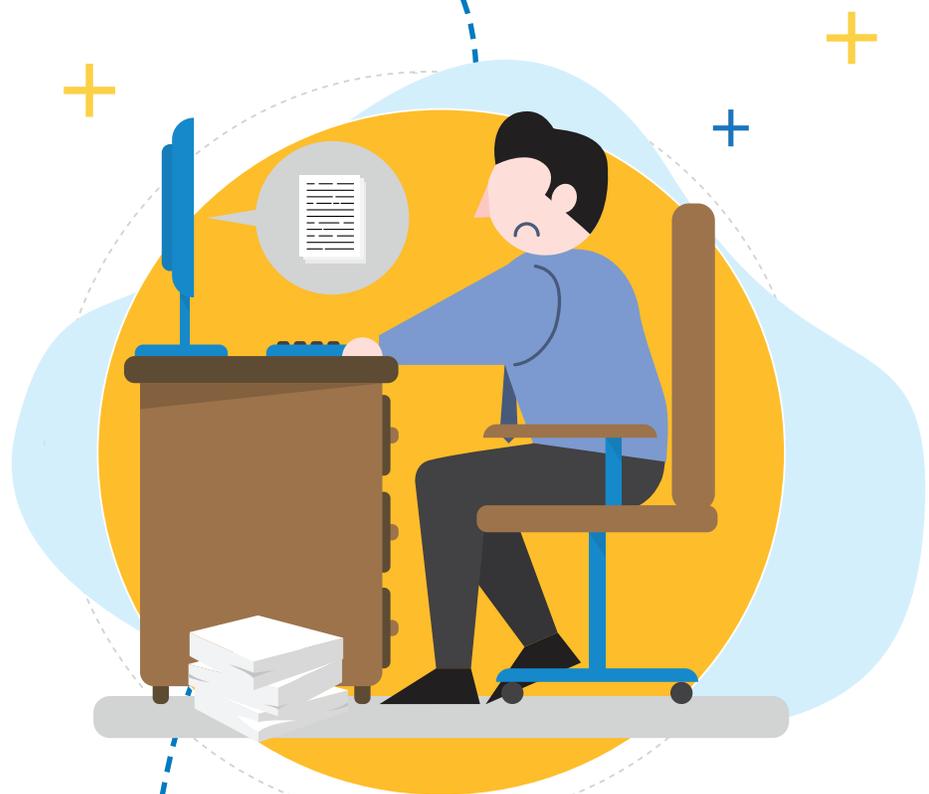

With BLUE GDPR, we make your data compliant (with any industry-specific regulations like GDPR, BDSG, CCPA, HIPAA, CSL etc.).

How does BLUE GDPR work?

1. Too much data to anonymize

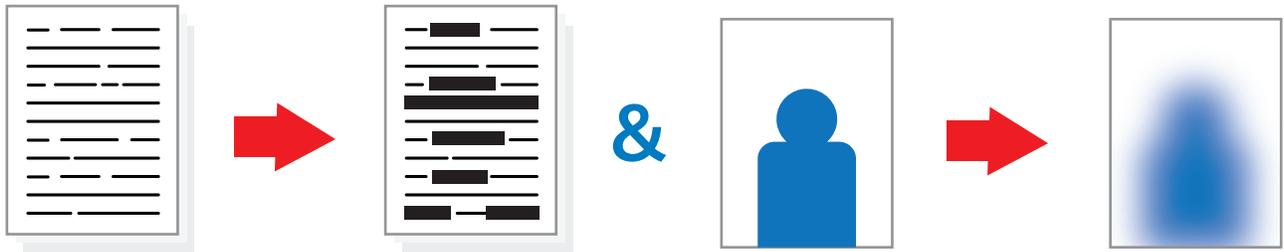

Speech
Text documents
Images
Videos

2. The solution:

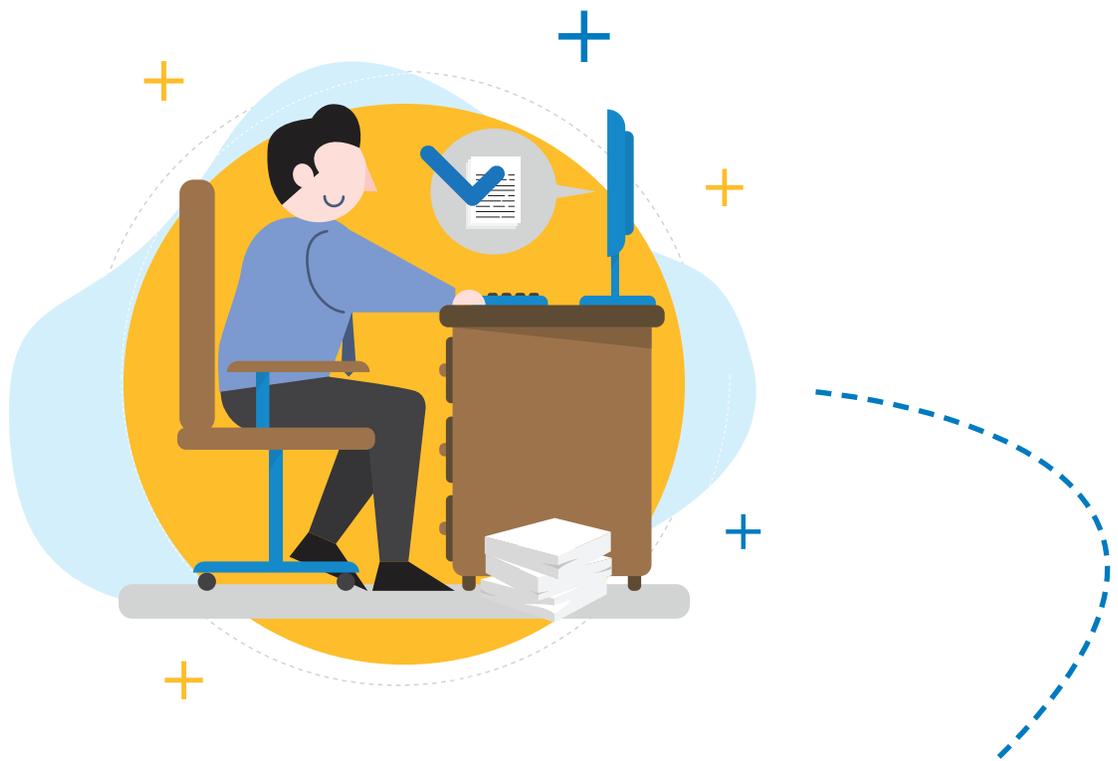

Do it automatically with BLUE GDPR

**Anonymized
personal information
from documents, texts or
pictures**

**Blurred faces,
objects or people
from images or video**

Data is now ready for
further use!

The packages

Choose your option

BASIC
