

The indispensable communication tool

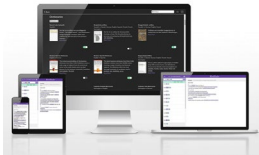

The words you want anywhere, anytime

WordFinder Unlimited

When using WordFinder Unlimited, you'll be able to communicate more effectively and work more productively with all forms of written communication. You can rest assured that the translation you get is correct. WordFinder has the market's absolute broadest assortment from leading publishers and is the market's fastest and most flexible service for finding the right translation, term or synonym.

WHAT WE OFFER

We offer a subscription-based dictionary service with the mission to include all the best dictionaries in the world. The service includes more than 500 dictionaries in 26 languages. The dictionaries can be accessed on virtually any device to find just the right word anywhere, anytime - online or offline.

WordFinder Unlimited works interactively with Microsoft Azure Platform and the application WordFinder for Windows is a perfect Add-On to Modern Workplace-Office 365.

WordFinder for Windows is a desktop application. We strive to make the way you work with other applications more effectively and conveniently. You look up terms and translations easily in Modern Workplace-Office 365 with a key combination or a mouse click.

When looking up lots of translations and terms, the speed by which you can work with our dictionaries, greatly increases your productivity.
