

Accelerate your journey to Microsoft Azure

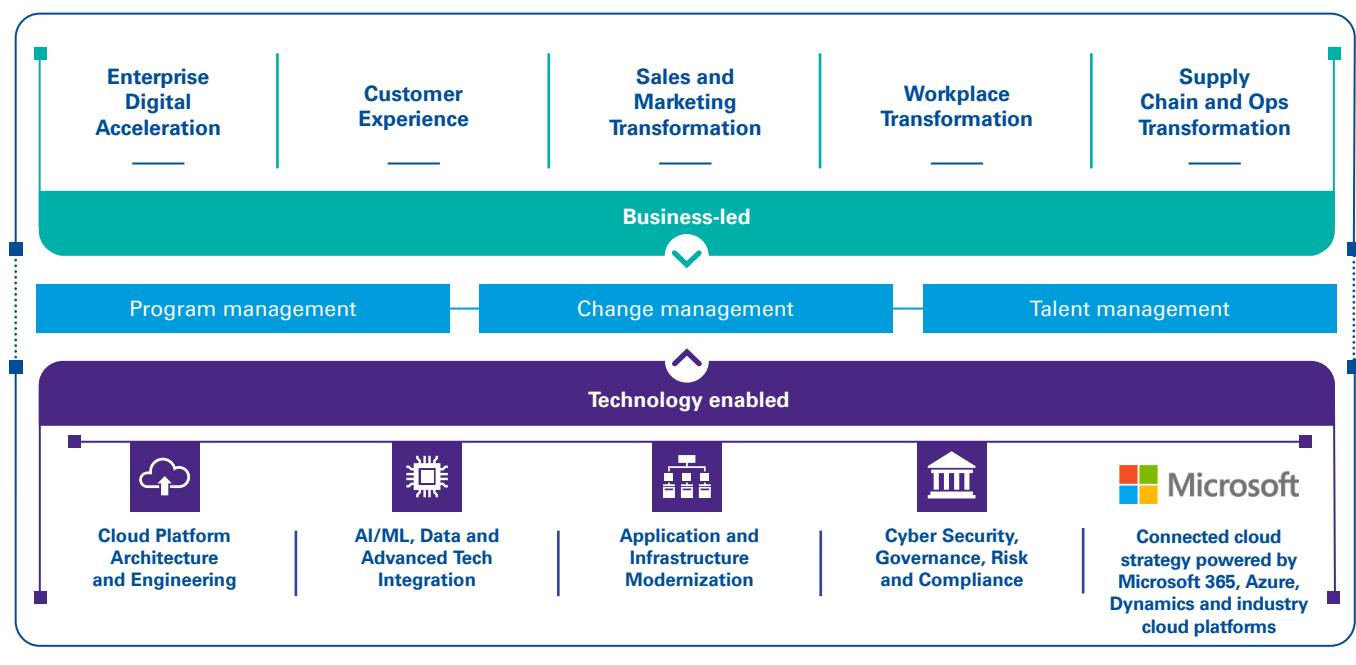

Business led.
Technology enabled.

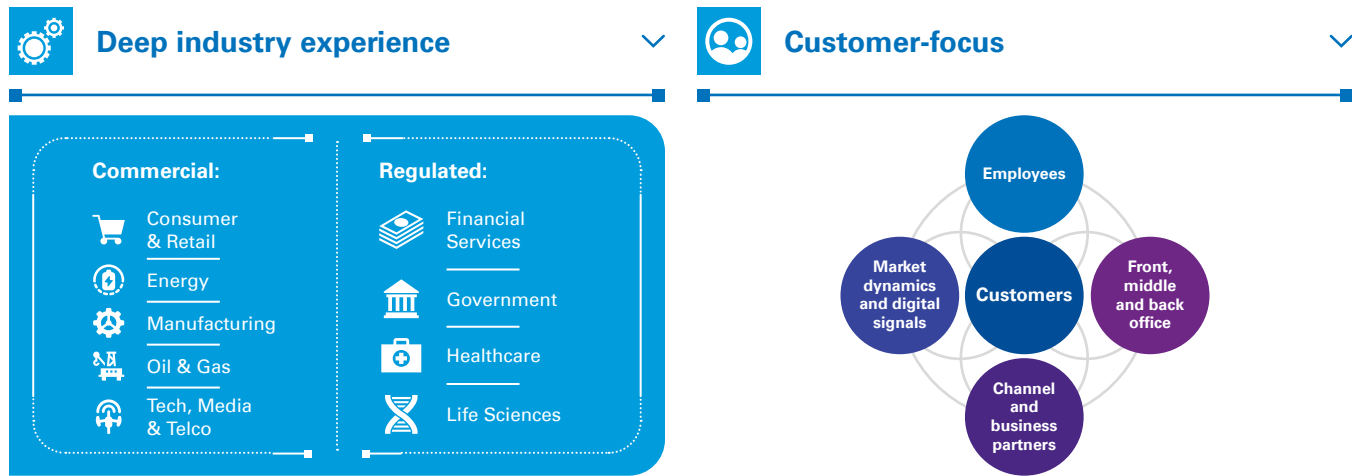

Business-led, technology enabled digital acceleration leveraging the Microsoft Azure platform

 We advise, collaborate, and build trust to deliver a differentiated transformation experience. Together we transform transformation: we own outcomes, unlock value, strengthen capability and leverage knowledge. Business strategy and objectives guide this approach, and we position our technology as the enabler for digital acceleration.

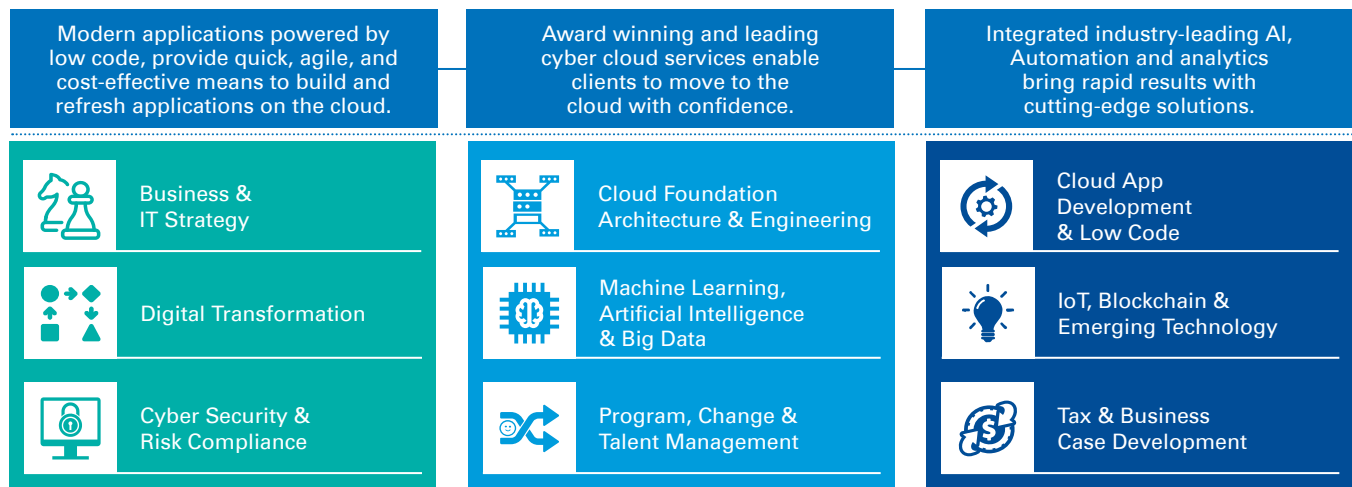

Industry led, customer centric business transformation

Diverse business & technical capabilities

Cloud Transformation enabled by Microsoft requires a diverse and unified set of capabilities supported by multiple KPMG services with one consistent voice to our customers.

Global scale – 227,000 Professionals – 650+ Offices – 146 Countries

Expanding our Microsoft cloud practice, practitioners and alliance

The power of the Alliance

Business led. Technology enabled - a wide-ranging Cloud offering and Cloud framework from Microsoft, aligns perfectly with KPMG business solutions and methodologies, together we help to prepare your organization for the future.
