THE ATMOSERA DIFFERENCE

We will meet you where you want and need to be met

Atmosera assesses, architects, deploys, and manages enterprise-grade cloud infrastructures across the hybrid plane. From private clouds leveraging Microsoft Cloud Platform to Microsoft Azure and hybrid environments leveraging both, Atmosera has 20+ years of experience delivering secure, and reliable cloud solutions to businesses worldwide within a wide variety of sectors including healthcare, financial, manufacturing, retail, and government. We are a Nationally Managed Partner with Microsoft, a Gold Level Tier 1 CSP, COSN, and Azure Certified for Hybrid designations.

Success across diverse industries

Customers in 40 States
& 10 Countries

“Atmosera provided the expertise to properly assess our needs, deploy the Azure environments and now operates them 24x7 enabling our team to focus on our business without worrying about our underlying systems.”

– David McCurley, Marketing, ATLANCO
