

The #1 locker system  
for dynamic working

## Vecos The #1 locker system

Vecos is market leader and trendsetter in the world of electronic locker management.

We thrive on innovation, decisiveness and quality, creating new functionalities on a daily basis and staying in tune with the latest developments.

The result? A locker system that has the agility to adapt to the needs and wants of its users.

# Why use Vecos?

1 Guarantee available storage for anyone, anytime and anywhere

2 Multi-purpose: personal & team storage, end of trip, parcel pick up

3 Manage dynamics and adapt to the next New Way of Working

4 Save expensive office space by requiring less lockers

**The Core**  
Set them free!

5 Connect to the next generation of employees

6 Save time on facility management with an automated locker management system

7 Easy app and third party software integration

8 Guarantee privacy and security with GDPR proof software

## Take your workplace to the next level

At Vecos we create technology that is designed to support and encourage dynamic and flexible workplaces in the way they were intended.

With the Vecos smart, self-managing locker system, we help our clients create workplaces built around the principles of employee happiness and engagement, absolute freedom of movement, optimization of space and total control for building management.

## > 50% space saving with flexible and smart lockers at Deloitte, The Edge, Amsterdam

In Deloitte's smart building The EDGE there are 880 Vecos dynamic lockers for more than 2.000 dynamic employees.

That is a saving of more than 50% in floor and cabinet space compared to traditional solutions.

> 2.000 employees

880 lockers

# A few of the corporations we've taken to the next level

A photograph of two men in a modern office hallway. The man on the left is wearing a blue blazer and holding a folder. The man on the right is wearing a light blue shirt and dark trousers, leaning against a wooden locker system. A large potted plant is on the left, and a hanging plant is on the right. A white rectangular box with the text "Let's meet!" is overlaid in the center.

# Let's meet!
