Custom Teams App: 1-Hr Briefing

A meeting to discuss your organization's needs for a custom Teams app that integrates with Microsoft's APIs.

This one-hour kick-off meeting will allow your organization to describe its need for a custom Teams app with the PSI team. Our team has extensive experience adapting solutions from scratch for all kinds of businesses as well as experience creating custom add-ins/apps for Microsoft Teams. Let us know what you need, and we will gladly create a software solution for you! During the initial meeting, we can discuss the hourly rate of our services if your organization decides to work with us.
