## DESCRIPTION

Microsoft 365 (M365) is enabling businesses across the world. Its cloud-first approach enables new, modern working methods in a post pandemic world where the work environment has changed forever. Today our businesses need to be able to work from anywhere, anytime, on any device and do so safely & securely.

We've all heard this before, but the questions is... where do we start? how do we get there? what will it cost?

### WE NEED TO PLAN FOR SUCCESS.

The cubesys 3-day Microsoft 365 Economic Plan for Success session helps you gather the information to successfully adopt Microsoft 365.

Having helped our clients adopt Office365, EM+S and Windows 10\11 since it's inception. Our experienced experts have all the right knowledge to help you:

- ✓ Target the first workloads for your business
- ✓ Assess readiness to adopt Microsoft 365
- ✓ Plan user adoption
- ✓ Build an economic model
- ✓ Build a technical roadmap for future enablement
- ✓ Address your concerns & plan for success with Microsoft 365

**At conclusion, we will provide your organisation a report giving you CONFIDENCE in your readiness to adopt and run your M365 environment.**
