

## QuickBooks Migration: 1-Hr Assessment

By TrimaxSecure  
Dynamics 365 Business Central

**Free**

**Connect your business, make better decisions, and get more done with your financials, sales, service, and operations in one place.** If you feel like you have outgrown your Quick Books and are looking for a better solution, this session is for you.

We've streamlined the process for migrating from Quick Books to Business Central with our import tool. Contact us for a free 1-hour assessment to learn more!

### Deliverables

- Migration overview
- Business process overview
- Data structure assessment
- Business Central Chart of Accounts structure review
- Establishment of historical data migration business needs
- Initial implementation and support plan
