

Azure Zero Trust Connectivity Accelerator

\$3,000 | 1-week implementation

Discover

Design

Configure

Connect

Design and configure zero trust optimized connectivity between the Azure Cloud NetFoundry Edge Router and any site, edge device, private/public clouds, and hybrid applications.

Discover

- Interview stakeholders to determine Azure connectivity needs, current connectivity and zero-trust approach

Design/Config

- Design a high performance, zero trust network to connect your target environment to Azure

Connect

- Rapid deployment of zero trust, high performance programmable networking at scale

*See Statement of Work for limitations and full details

Pyramid Consulting meets our clients where they are in their Azure cloud journey, moving their digital projects further, focused, faster.
