

App Modernization 4-Week Fast Start

Detailed Application Assessment, Design & Roadmap | \$17,000

Strategy

Analysis

Design

Roadmap

Get ready to move your legacy application to the cloud with insights on the business impact, anticipated costs, and technology benefits of modernization.

Strategy & Analysis

- Define business and IT goals for the modernization based on application review with client stakeholders
- Application code analysis to assess the current state and complex business logic

Design & Roadmap

- An actionable design and plan to re-architect your application to match business and resource requirements
- A path to innovation while reducing maintenance and security vulnerabilities

*See Statement of Work for limitations and full details
