

Azure Stack HCI

We are Splitbrain

The Microsoft Hybrid Cloud partner.

Splitbrain exists of real professionals. No generalists, but experts.

Making use of innovating Microsoft-technologies, we help organisations further in their digital transformation and take away the obsticals between on-premises and public cloud.

What we do:

Managed Operations – Management of critical infrastructure

Projects & Consultancy - Datacenter renewal, cloud migrations, Hybrid networking,
Disaster Recovery to the cloud, Cloud Backup, Cloud roadmap
