Instant Voiceovers

Generate voiceovers instantly with TRIBEFII Speech.

The screenshot displays the Tribefii Speech Text-To-Speech Synthesizer interface. On the left, a vertical list of voice actors is shown, including AGATHA (Female, English), AH HOE (Male, Chinese), ALEX (Male, English), and ALI (Male, English). Each actor's entry includes a star icon and a play button. The main area is titled 'SCRIPT' and contains a list of synthesis parameters for a single sentence (labeled '1'). The parameters are: PAUSE (100 ms), EMPHASIS (strong), PITCH (x-low, Note: Sentence Only), RATE (x-slow, Note: Sentence Only), VOLUME (silent, Note: Sentence Only), SAY-AS (cardinal), and SUBSTITUTE (empty). Each parameter has an information icon, a dropdown menu, and a control icon. At the bottom, a preview section shows a portrait of a man with a beard, identified as ALEX (Male, English), with a 'Play Preview' button to the right.
