Improve your profitability with UIBScrm cloud-based system. Maximize guest retention, guest loyalty and guest value. With a 360-degree view of your guest and corporate relationships, you will be able to drive incremental bookings and potential guests to your website while improving guest retention and recognition. The UIBScrm email delivery engine add-on solution includes:

Validation, reputation and delivery

We have now partnered with Microsoft Azure SendGrid for unsurpassed email validation, reputation and delivery.

This cloud-based solution offers unsurpassed email validation, reputation and delivery under each customer's domain name. It offers delivery reports to know if the email was sent, delivered, received, rejected etc. and involves a new and secure technology platform for sending emails.
