Designed by people expert in the restaurant business, our table booking system is incredibly simple and quick to use.

Bookings 24 Hours A Day

Let clients book online 24 hours a day. More bookings equal more profit. In addition, save time spent answering calls and replying to emails.

Increase Your Sales

Our advanced reservation templates are designed to help you earn more. Control restaurant kitchen load during busy periods.

Improve Your Service

Receive feedback from your client's last visit. Improve your restaurant's quality, get more clients, and more repeat customers. More clients, more sales.

Seamless Integration

- UIBStable. integrates seamlessly with UIBcrm.
- Every reservation which is entered in to the UIBStable. system builds your customer database
- Employees get one unified view of their customers

Simple to use

- Identify repeat customers
- Track customer allergies and requirements
- Generate reports & statistics
- Use in future marketing campaigns
