Gold Enterprise Resource Planning
Gold Application Development
Gold Application Integration
Gold Collaboration and Content
Gold Datacenter

Qualyssoft was founded in Vienna in 1999 as a company specializing in resource management and software development; it has enjoyed constant growth ever since. With its innovative solutions in the areas of Microsoft business solutions, customer experience management, application services, and e-government, Qualyssoft is now one of Europe's leading providers of IT services.

The Qualyssoft Group has locations in Austria, Germany, Hungary, Switzerland, Slovakia, Romania and Serbia. Thanks to the constant growth of the workforce, it now has more than 500 specialists working in Central and Eastern Europe. With their many years of experience and high levels of expertise and commitment, they are on hand to ensure that every Qualyssoft project succeeds.
