

# 6PAC CHRISTMAS CALENDAR

# CHRISTMAS IS COMING TO INTRANET

Give your Intranet a seasonal touch with this free to use App

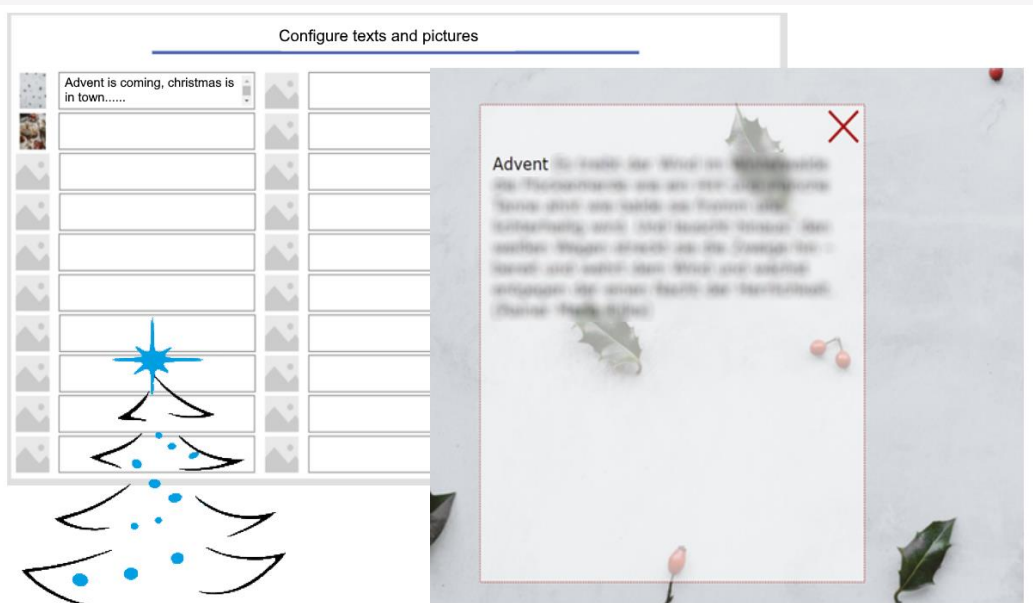

- Embed the App to your SharePoint Intranet / Campus, add it to your Microsoft Teams
- Have 24 doors released day by day as a christmas countdown for your company
- Hide gifts, contests, or small messages and information
- You can individually design the content and background every day
- Extend the features yourself as source code is included

# INSTALLATION

## Completely customizable PowerApp for Microsoft SharePoint and Teams

1. Get in touch with us and get the App for free
2. Install and publish it into your tenant
3. Customize yourself or with a little help of 6PAC to have your individual advent calendar, translate captions into your language
4. Open the configuration page to customize the 24 pages and pictures for each day in December
5. Embed the App into any SharePoint site, Microsoft Teams or other website
6. Post useful facts, prepare small quests or contests and watch your company to become Christmassy

ENJOY AND  
MERRY CHRISTMAS
