Learning style 📖

A cartoon illustration of a young boy with short black hair, wearing a white shirt, blue tie, and blue pants, with his arms outstretched.

In today's classroom, a teacher stands in front of students, each one having a different level, learning pace and learning style, and teaches them the **same thing the same way.**

Not anymore. Introducing **Augmental**

WHO WE ARE

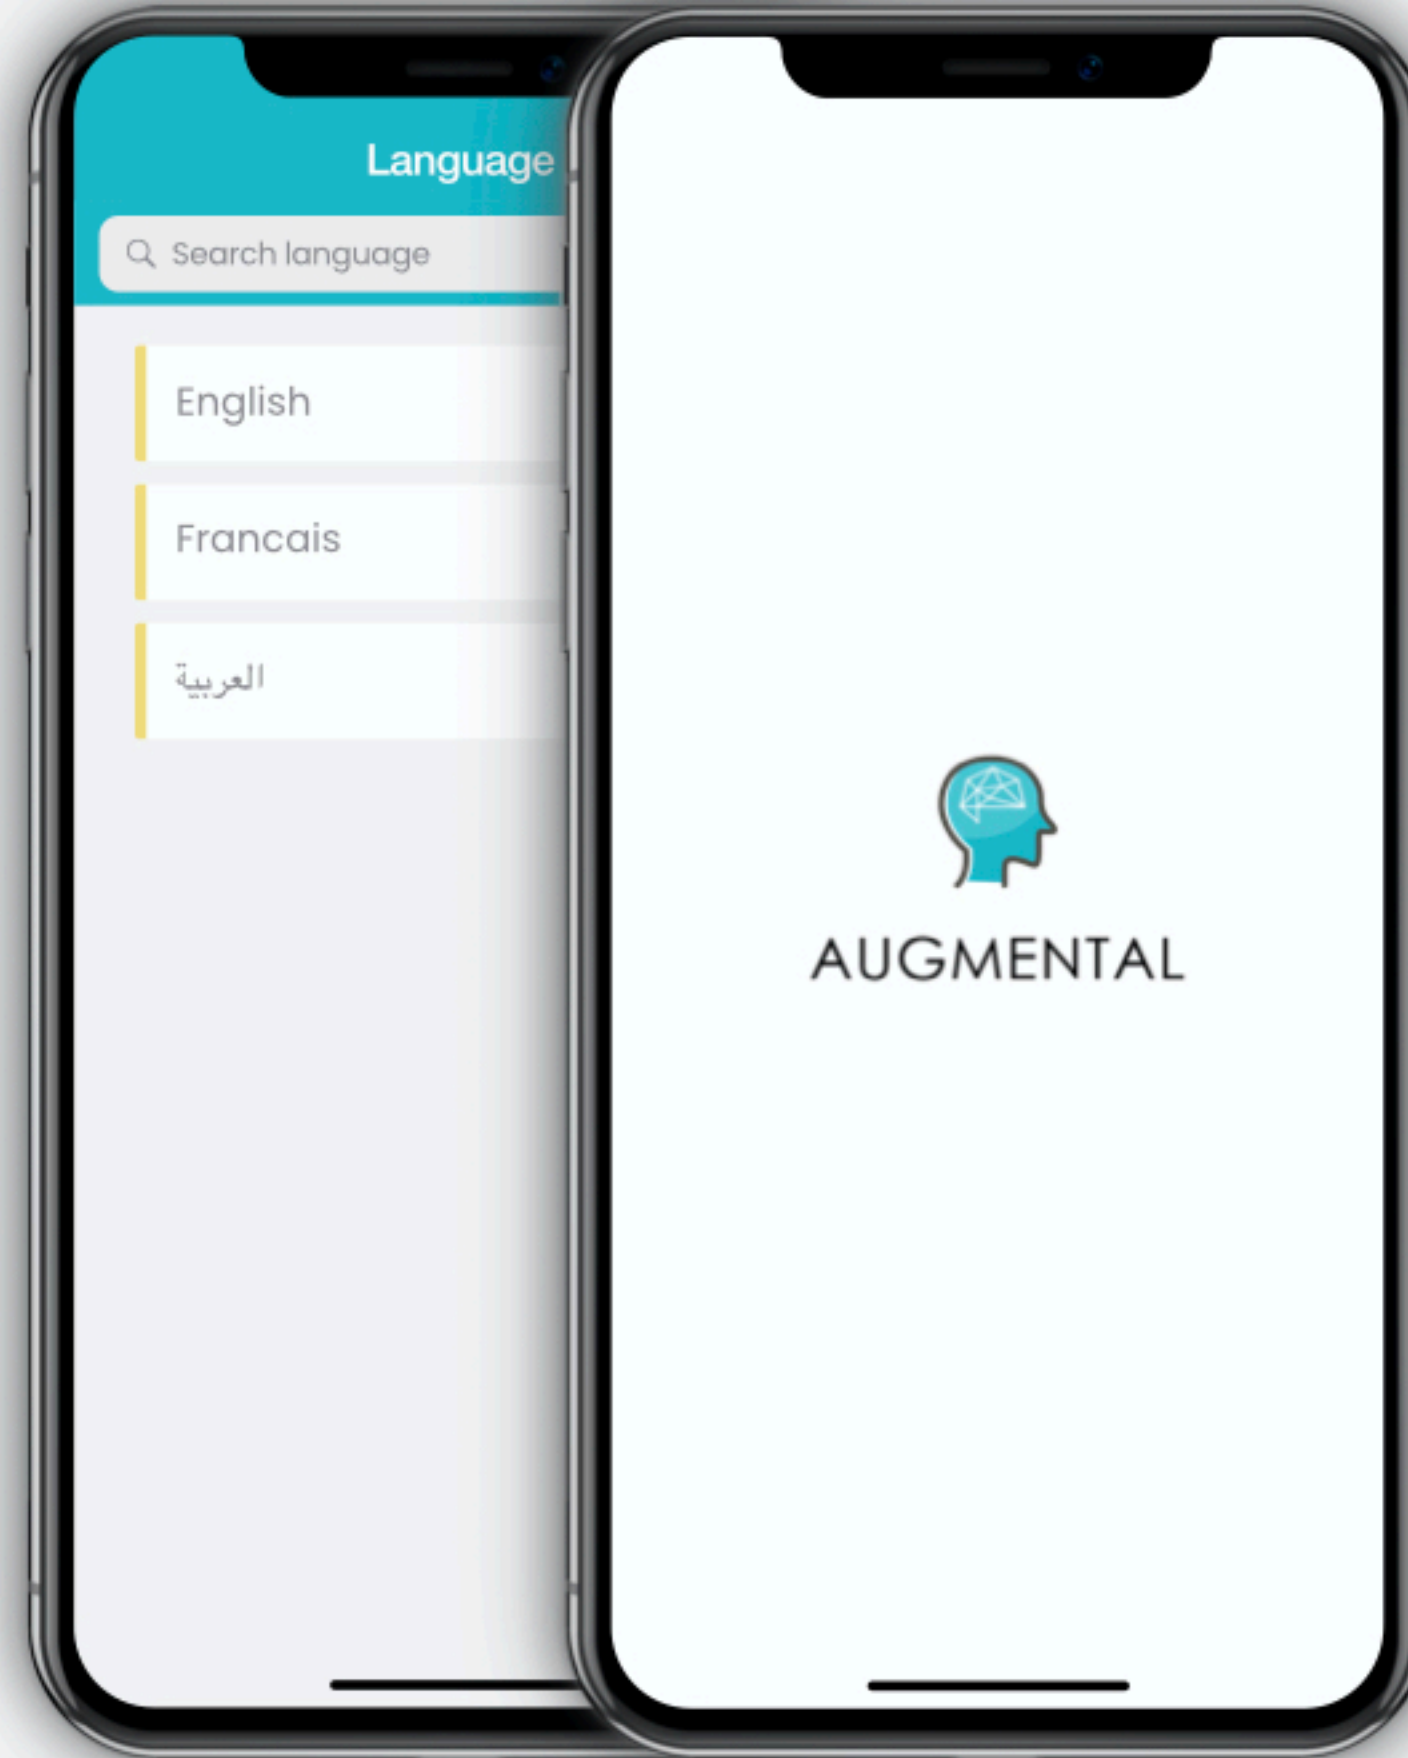

Augmental has taken the standardized courseware and applied the latest technologies giving each student an **equal chance to succeed**, through personalized and **adaptive course materials**.

AWARDS AND RECOGNITION

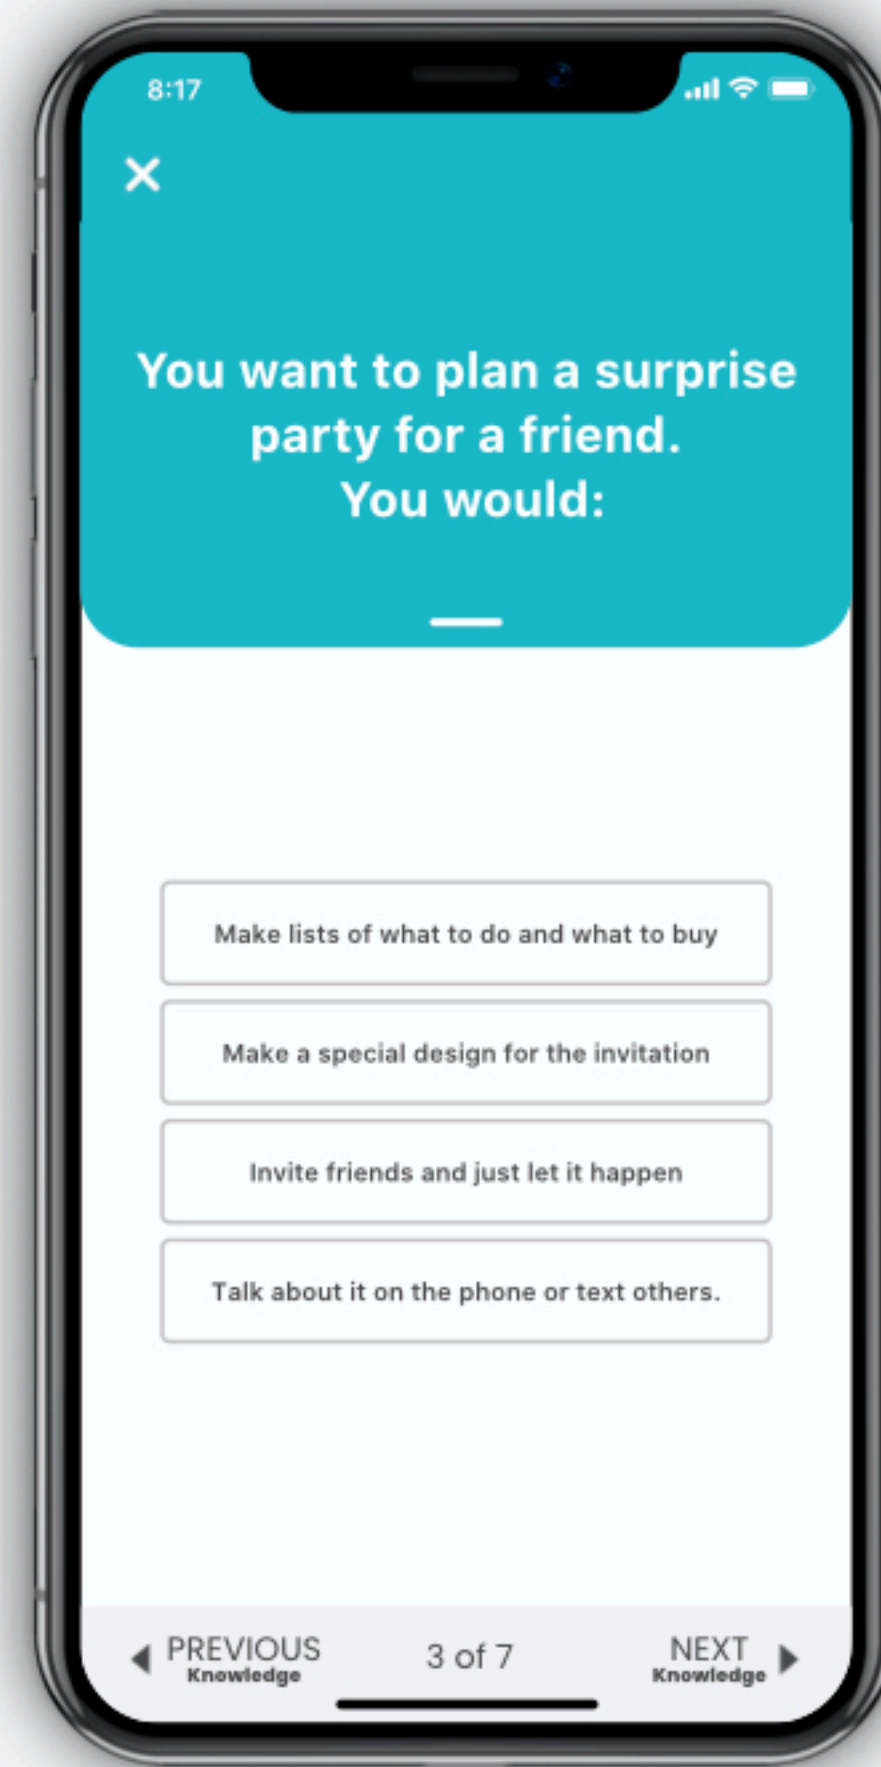

LANGUAGES

Augmental is available in **3 languages**: English, French and Arabic with more to come.

The course content and questions can be in **any language**.

HOW IT WORKS

Each student goes through a learning style test to determine her/his **dominant learning style**.

VISUAL

AUDITORY

READ/WRITE

KINESTHETIC

HOW IT WORKS

At the beginning of each chapter, the student goes through a **level test** to be classified into one of the following.

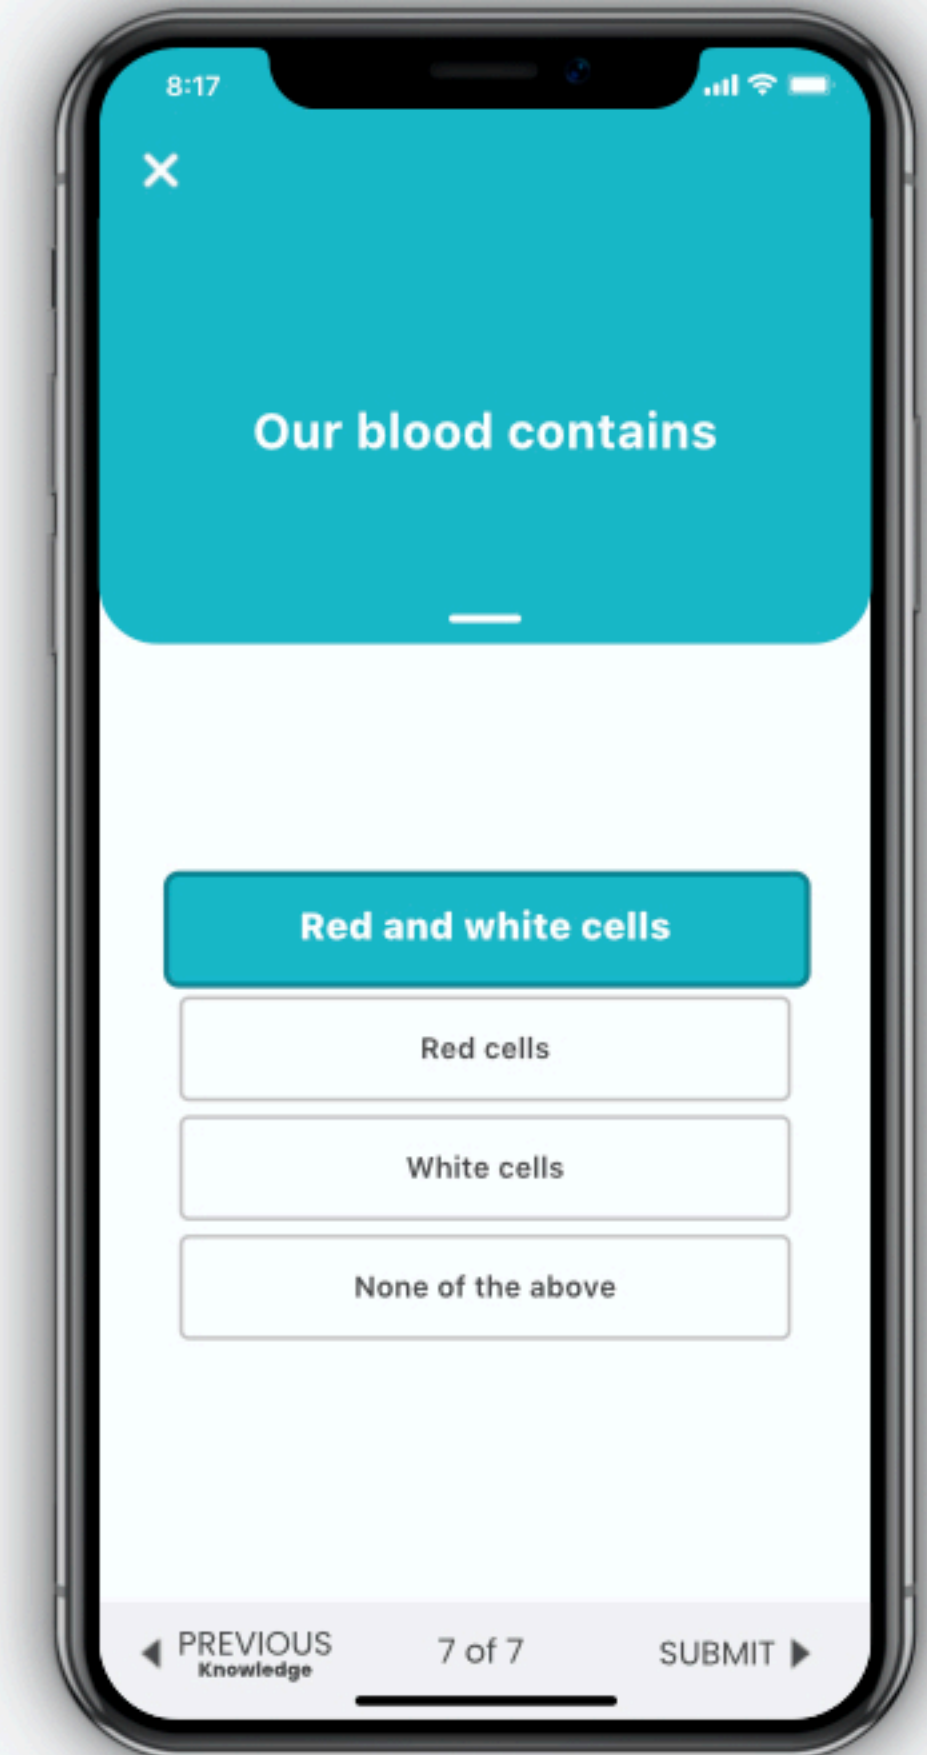

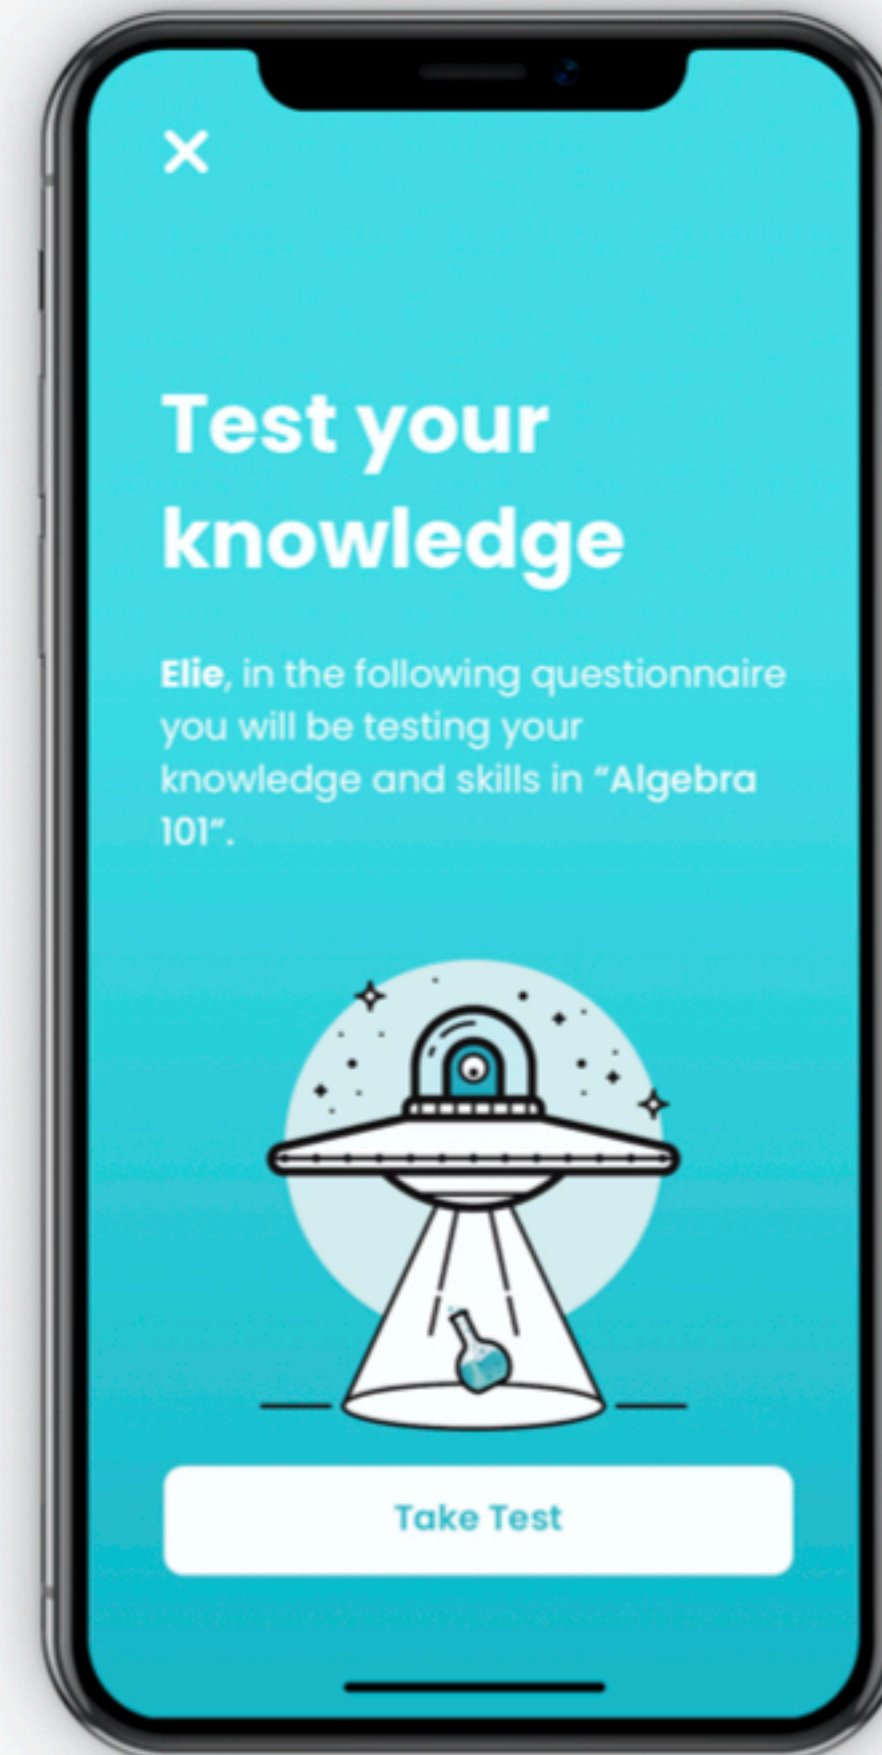

Easy

Medium

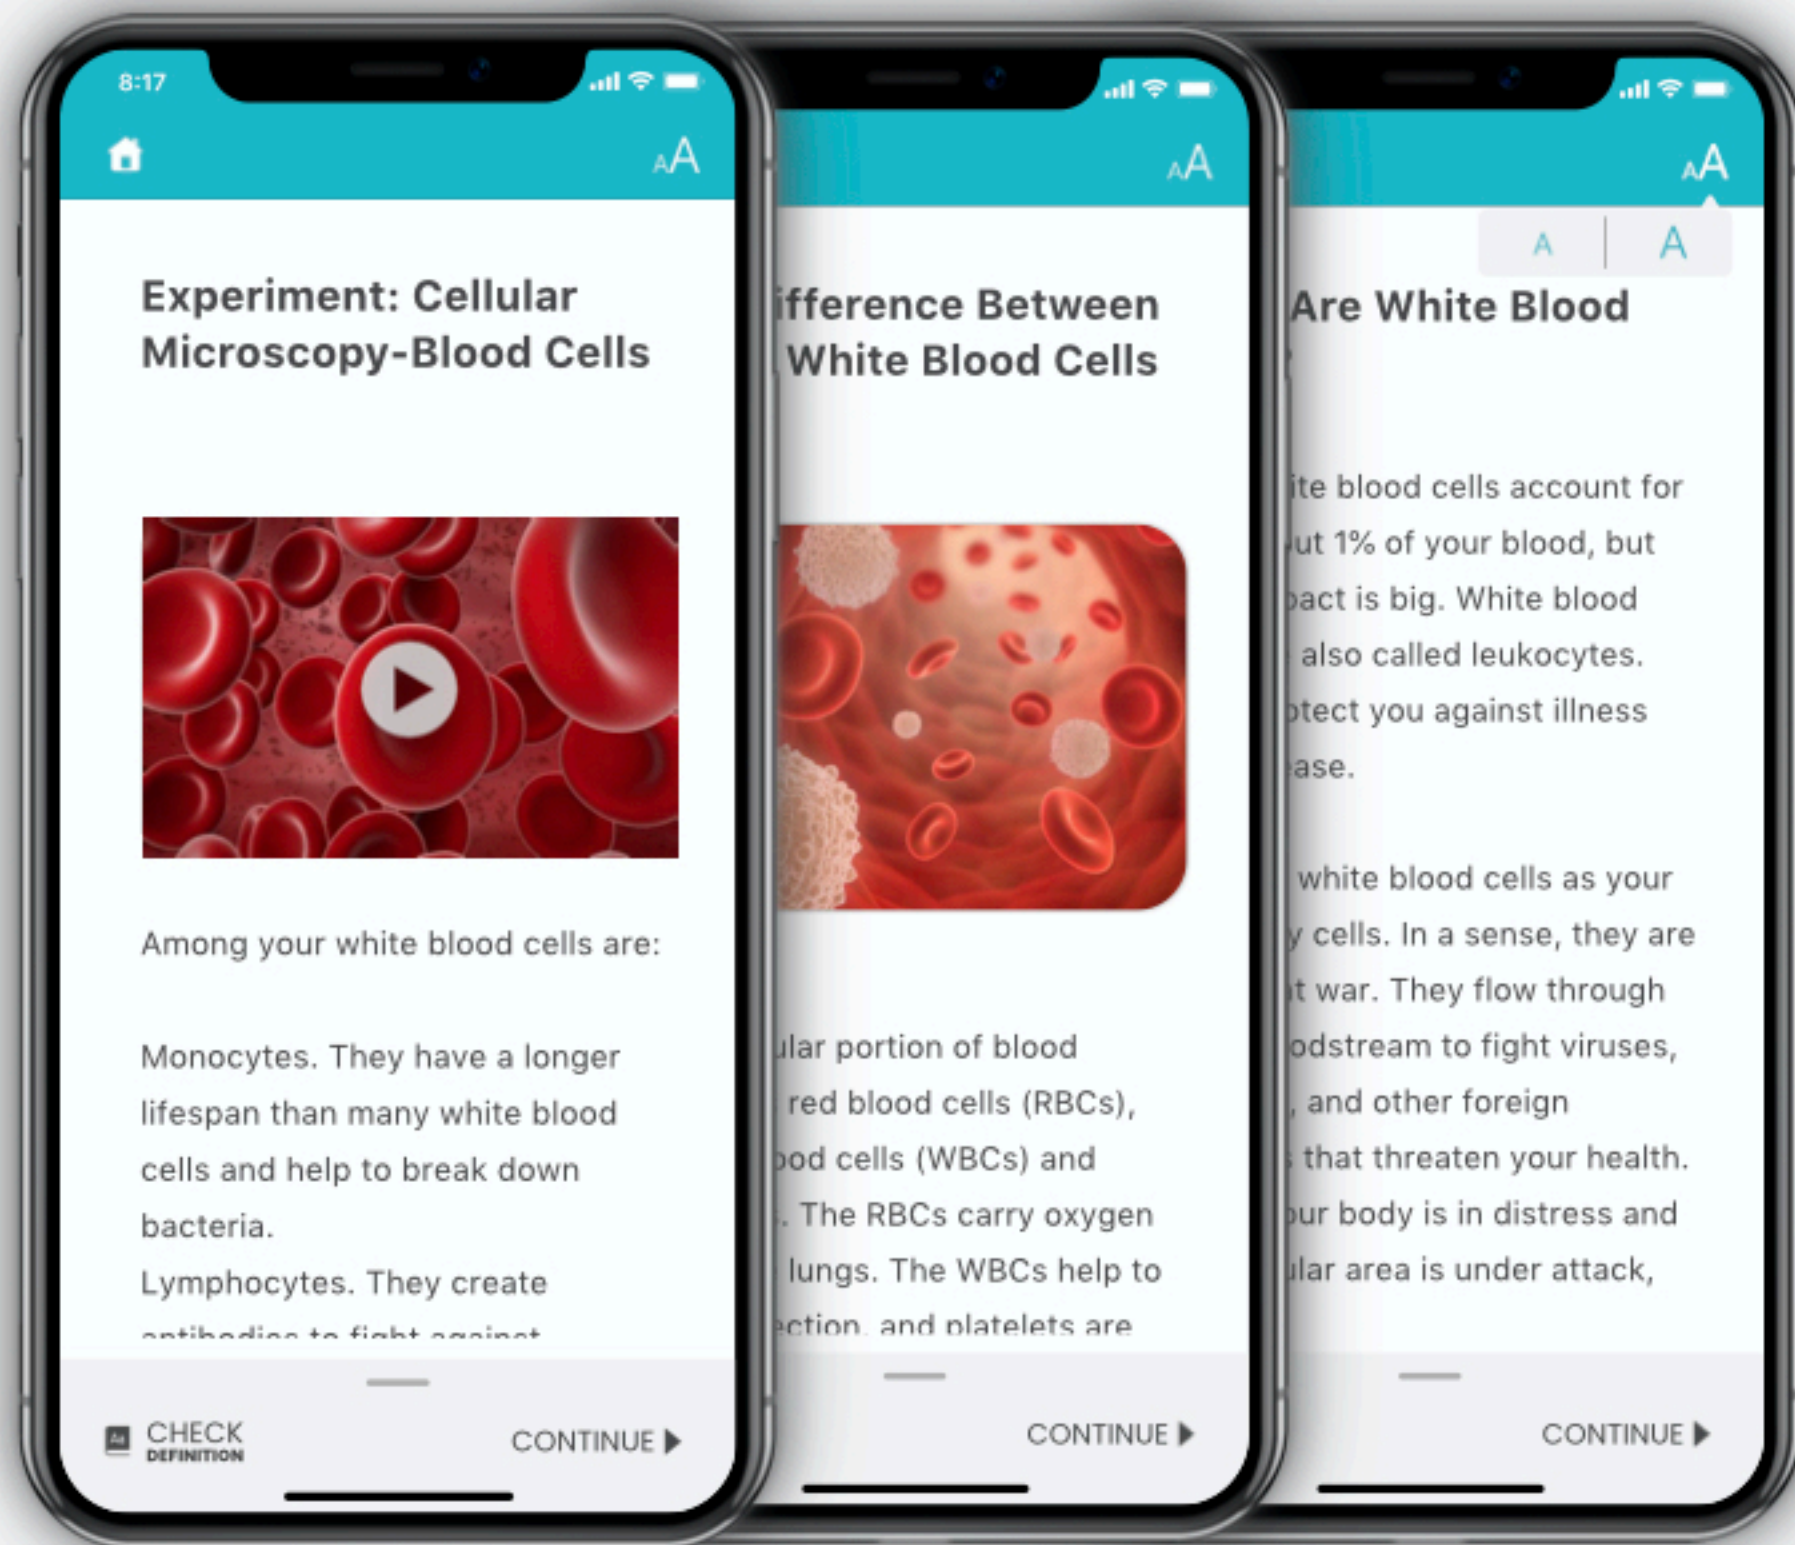

Hard

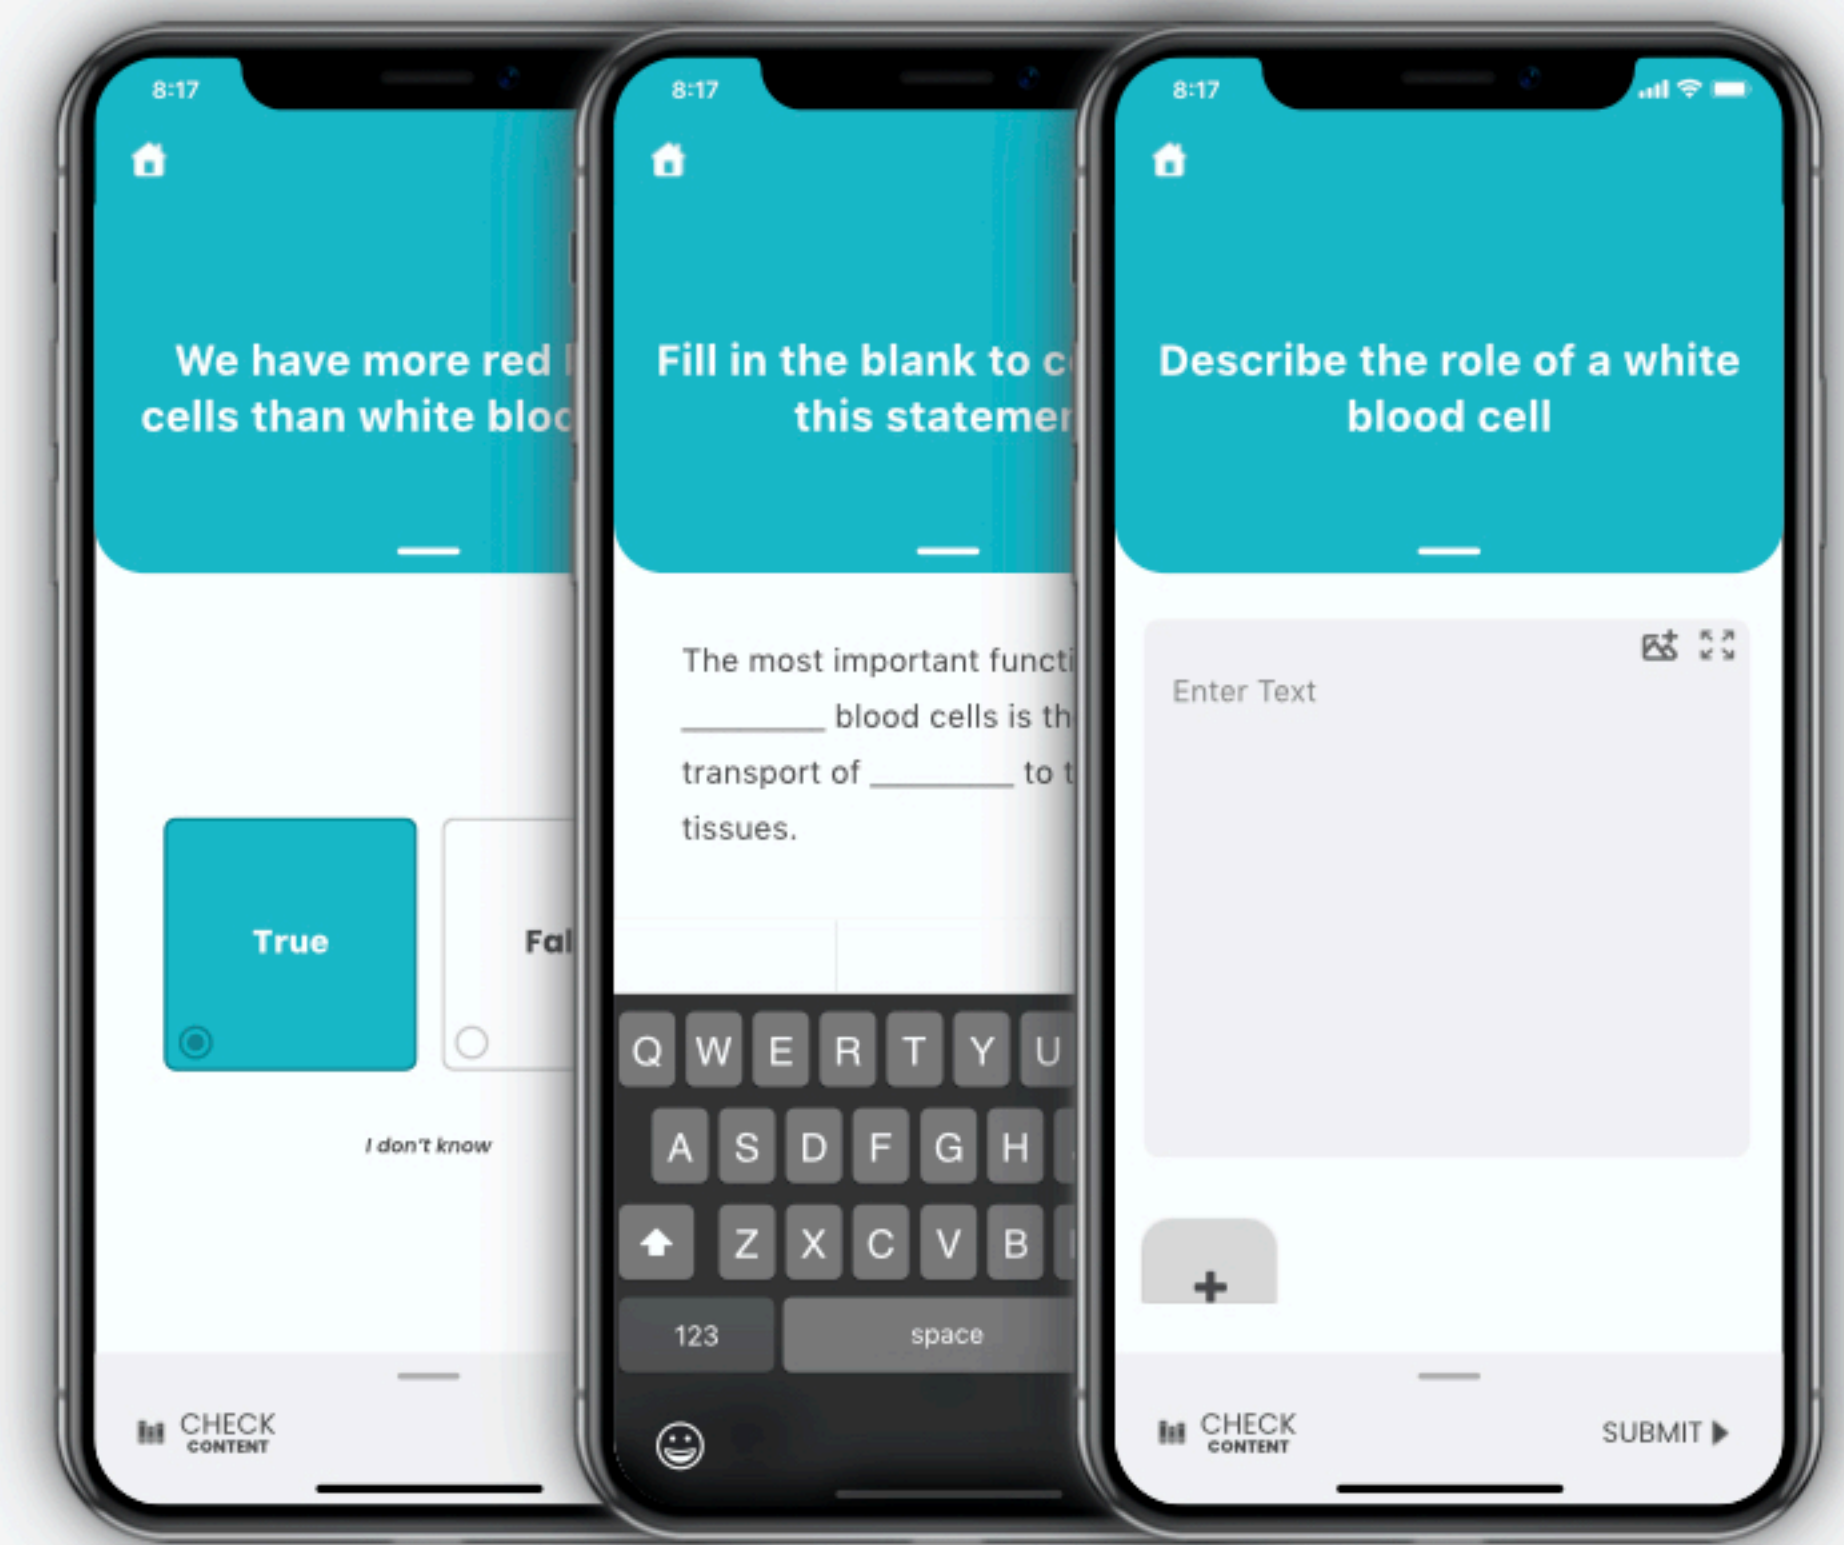

HOW IT WORKS

While studying the course, each student is given **different type/level of content and exercises based on their learning strength.**

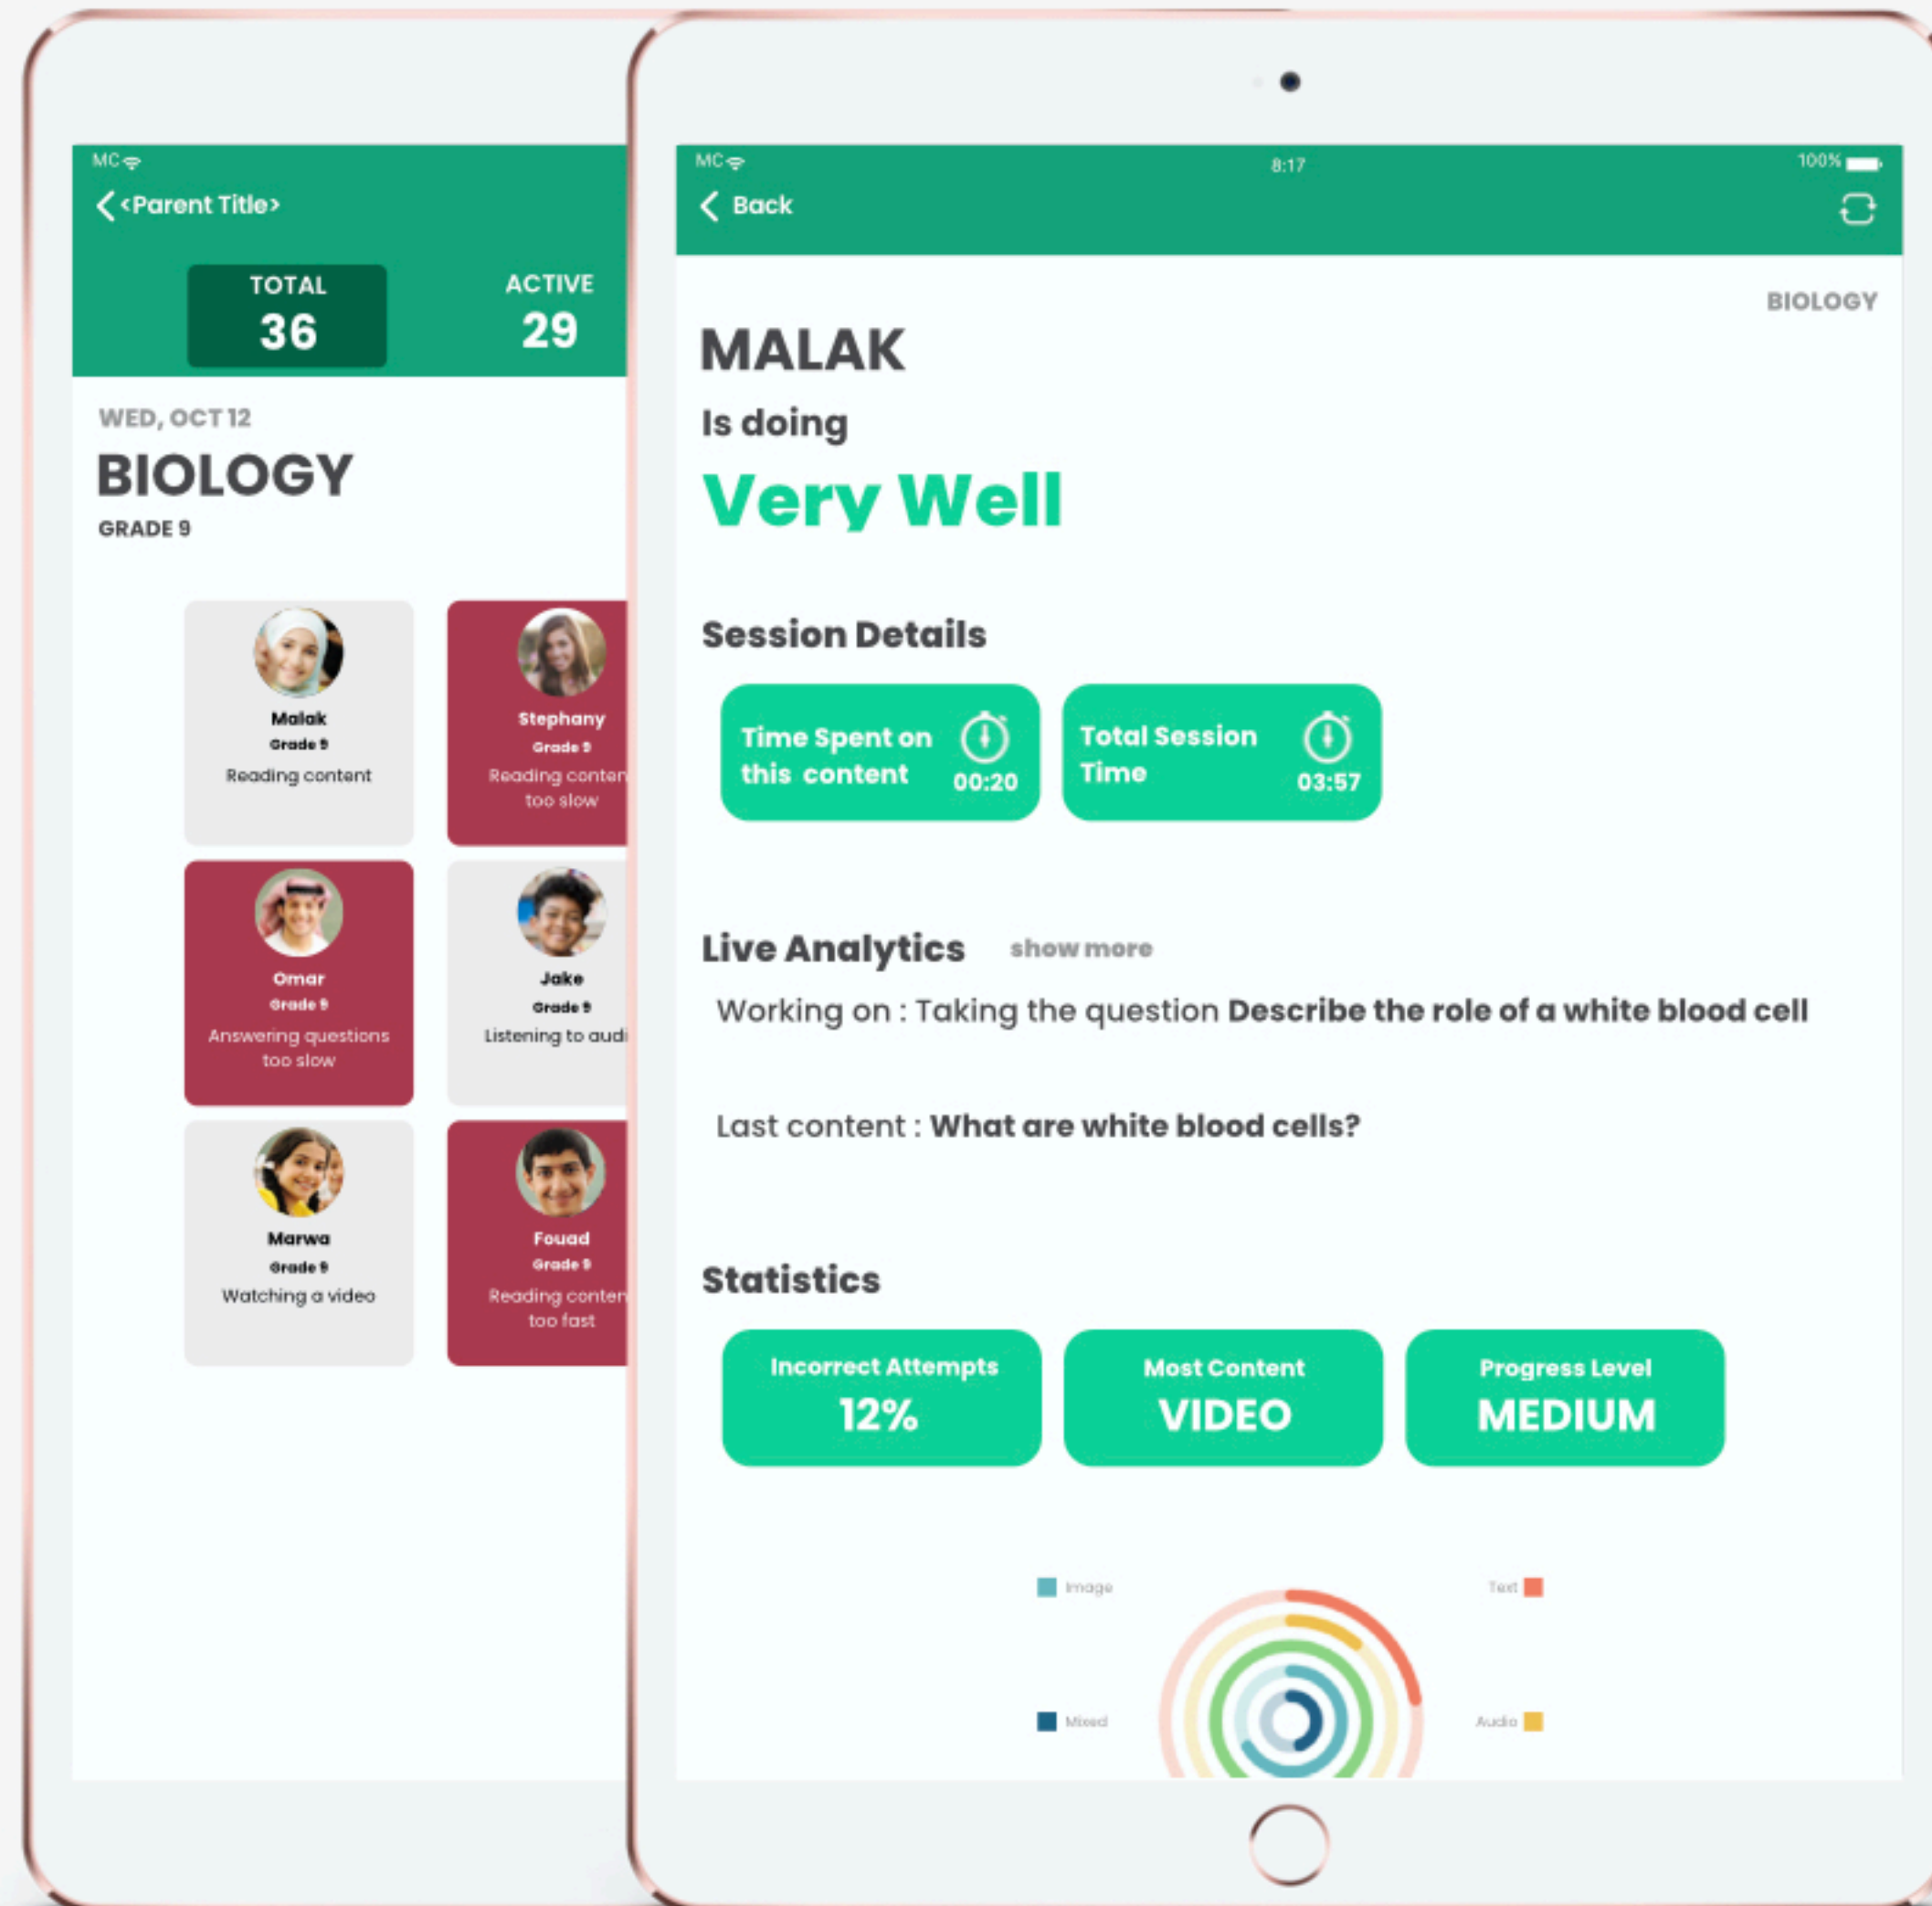

5+
Types of
content

6+
Types of
questions

HOW IT WORKS

Teachers have access to a **real-time dashboard** showing who's learning, who's not and **where help is needed**. This allows teachers to give a **one-on-one support**.

CONTENT STUDIO

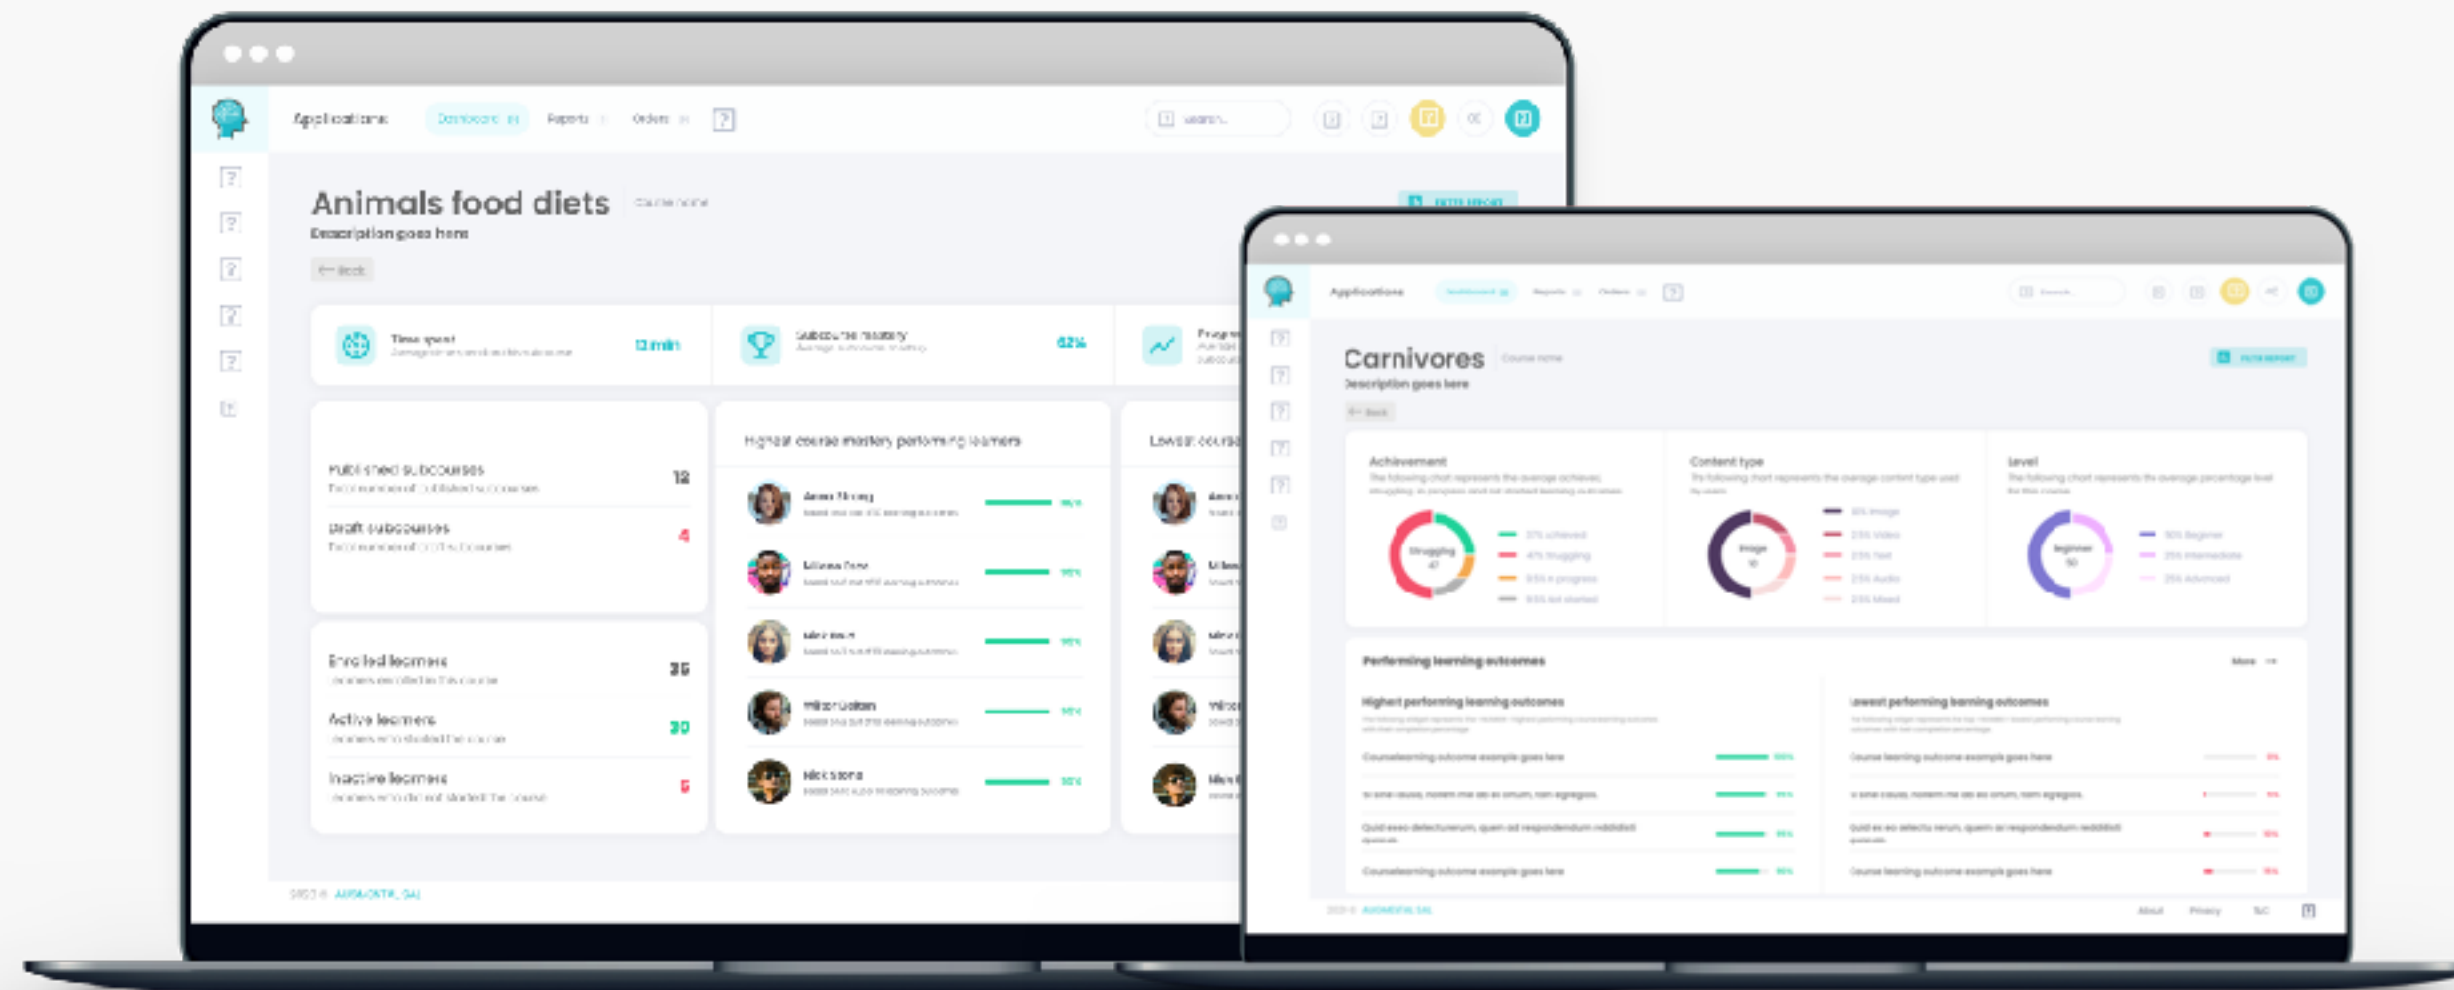

**CREATE.
MANAGE.
PUBLISH.**

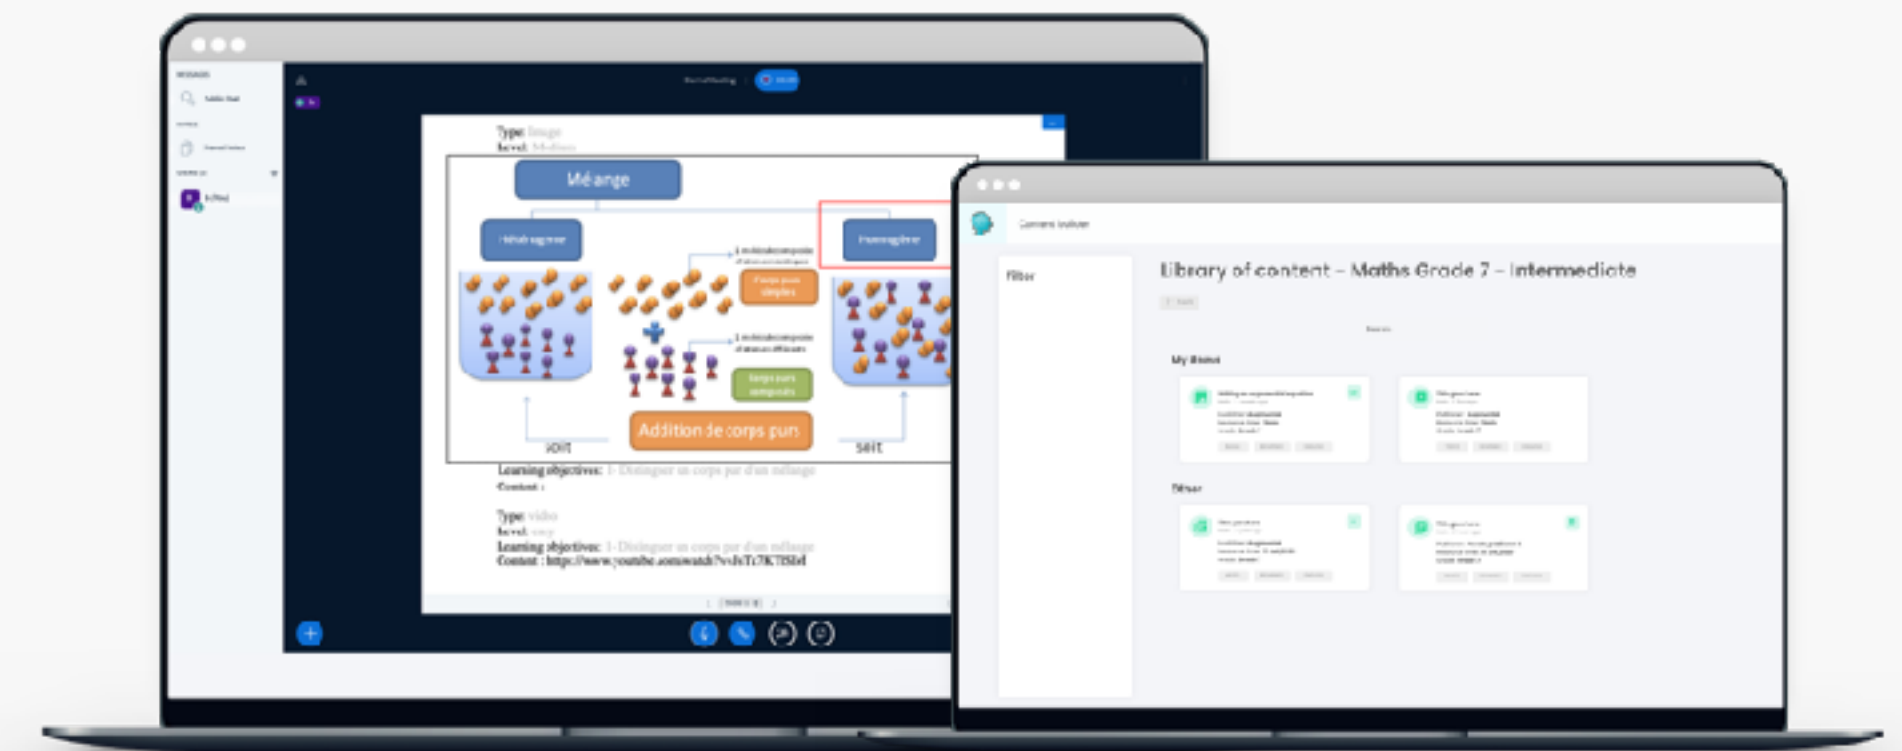

The content studio is a one-stop-shop for lesson creation.

Easily create a lesson by adding text and multimedia content through drag and drop capability and simply assigning questions to it.
