

Virtual Events for Microsoft Teams Live Events

Host up to **10,000 attendees** in one smooth online event with zero hiccups.

What is BT Virtual Events?

72%

of online events participants can't tell who is speaking*

63%

of online events participants said they felt disengaged*

70%

of the attendees found it difficult to be part of the conversation*

Online meetings with a large group of participants can be complicated. But not with BT Virtual Events.

- Host as many as 10,000 attendees
- Run engaging Q&A sessions
- Utilise your existing Microsoft 365 licence to its full potential

High-profile online events can have no room for error. We've designed our Virtual Events service for Microsoft Teams Live events to give you a seamless and glitch-free experience where we plan every bit of your event so that you can focus on your core message.

Benefits of Virtual Events

Flexible pricing

Choose our pay-as-you-go price of £950 per online event (no-commitment) or run at least four Virtual Events within 12 months and get a minimum 25% discount (T&Cs apply).

We do the heavy lifting

Focus on your content and delivery while we handle the tech and admin. We've designed a five-step process that makes arranging and delivering such events simple and enjoyable.

Maximum return on your investment

Get the most out of your Microsoft 365 licence and seamlessly run online events with up to 10,000 attendees.

What support will I get?

Our virtual events service will help you to deliver the best online events. Here's how we'll support you.

Planning

We'll handle scheduling

Rehearsal

Our experts share best practice and guidance during rehearsals

Pre event checks

Final checks with presenters

Event production

Live support from our producers, including Q&A management

Post-event support

We'll produce a detailed post-event report
