

DATA

INSIGHTS

TRANSFORMATION

Enabling Modern Data Foundations

Democratizing information and ensuring healthy data to power downstream analytics

Core Data Sciences, AI & BI Capabilities

Enabling business focused Data Science, AI and BI through deep domain expertise

Deploying Analytics In Action

Enabling insights consumption by deploying analytics at scale

ANALYTICS, DATA SCIENCE & AI

Descriptive, Predictive & Prescriptive Analytics

AI, Machine Learning, Deep Learning, IoT, Computer Vision and NLP & Text Analytics

Big Data Powered Industry Focused Advanced Solutions

Real-Time Analytics

ANALYTICS ENGINEERING

Data Lake Design, Development and Migration

Data Wrangling & Engineering

Data Transformation, Pipeline Development & Warehousing

Visualization and Application Development & Deployment

CLOUD ENABLEMENT

Cloud Roadmap Planning

Cloud Infrastructure Provisioning

Cloud Data Services

AI/ML Services

High-Tech

Manufacturing

AEC: Architecture, Engineering & Construction

Gaming, Media & Entertainment

Strong Talent Pool & Specialized Skills

Oriented AI & Data Engineering CoE

Robust & Standardized Delivery Processes

GLOBAL PRESENCE

NHY AFFINE?

Bangalore, INDIA

453, BBMP No.351/453 4th sector, next to Taco Bell, HSR Layout, Bengaluru, Karnataka 560102

Bellevue - USA

2018 156th Avenue, N. E, Building F, Suite #333, Bellevue, Washington 98007

Singapore

5001 Beach Road, #08-11 Golden Mile Complex, Singapore (199588)
