PAST PERFORMANCE

TD BANK - E-LEARNING PLATFORM - 150K

illuxi, in partnership with UN Women, produced and distributed an online Women's Entrepreneurship Training Program to train and certify 2000+ bankers at TD on how to serve female business clients as a priority.

MEDICART - TELEMEDICINE PLATFORM - 100K

illuxi is providing a virtual platform so that physicians can offer online consultations to their patients. Our platform serves 32 clinics across Canada.

IATSE- VIRTUAL EVENT - 65K

illuxi is providing a virtual event platform with seven different rooms and multimedia atmosphere for a national event of IATSE. The participants are given a unique 3D virtual experience throughout the conference, from the registration to online networking events.
