

WORKPLACE ANALYTICS TRANSFORMATION WORKSHOP

An organization's success is driven by how its people work, collaborate, and execute together.

We'll design a private workshop to correlate your organization's financial and operational performance and provide a clear path to identify behaviors that produce the best outcomes. Neudesic harnesses the power of Microsoft Graph and Workplace Analytics, combined with powerful predictive capabilities to gain immediate insights on how your organization collaborates.

We're ready to help you improve for breakthrough business performance.

The Benefits:

- ✓ Maintain business continuity
- ✓ Return to worksites
- ✓ Transform meeting culture
- ✓ Enhance organizational resiliency
- ✓ Employee collaboration
- ✓ Boost employee engagement
- ✓ Enhance operational effectiveness
- ✓ Foster innovation
- ✓ Accelerate change
- ✓ Increase customer focus

What You'll Gain from this Workshop:

Protect employee well-being by identifying and scaling successful collaboration practice behaviors.

- Define business challenges with related data and metrics
- Identified hypotheses to analyze and act upon with proposed solutions
- Agreed success measurements and estimated impacts to your business outcomes
- Proposed solution design and stakeholders

Together we can respond, recover, and reimagine organizational behavior at the individual, team, and external stakeholder level that produces the best outcomes:
